My Cat Wants Me Dead:

Does God Want Me Dead? D. Scott Bowling, 2015-11-30 This book is a result of the spiritual lessons I have learned upon being diagnosed with a slow progressive and terminal illness Once I was told I had a life expectancy of less than five years biblical truths that seemed to be hidden to me prior to my diagnosis now seemed to pour off of every page I was an avid Bible student and teacher prior to my diagnosis but following my dire prognosis I began to have a greater appreciation for the pain suffering and death of so many of the men and women that share their stories within the cover of our Holy Bible The title of this book Does God Want Me Dead came first The title is not intended to be sacrilegious but other phrases seem to come woefully short of the question pressing upon my heart Slowly over three years each additional chapter would germinate in my mind and heart and develop over varying time periods My goal is always to handle Gods Word accurately and honestly I know I will stand before God in a relatively short period of time to answer for each word I have uttered and written My objective is to disseminate the truths that I have learned first to my family and friends that will be most affected by my departure and then to all the saints of God willing to invest a few hours of their time for their edification and sanctification May Gods glory be high and lifted up in all things

Run with the Devil or Walk with God Manjuan De La Pas, 2014-11-14

This autobiography is about a characters transition from a curious child to an evil adolescent into a highly self secure spiritual man As a child he loves and is very close to his grandmother whom although poor shes always happy very spiritual and the only real example of anyone being close to God He loves to sit down with her and listen curiously as she describes the beauty of heaven aswell as reads and explaines the at times grim prophecies of the bible Still to young to understand he would remain a confused and bitter unbeliever due to all the pain and suffering that surrounded him on a daily basis Hes a child growing up in a very tough racially divided community who never looks for trouble but trouble always finds him At first he could care less and isnt impressed by the hoods in the fast life But on the surface compared to his mother and any hard working individual it was the hoods that had it all So by the time hed become an adolescent hes tired of being poor any good he had left in him has faded and he vows to do whatever it takes to get ahead even if he has to kill In the process he prays to the devil makes an abundance of money gains power and attains an unbelievable amount of notoriety Hed become almost uncontrollable to the point where hes very aware but dosnt care that he only has two stops left life in prison or eternal death in hell Untill one fateful day when hes made to think about his only son after a crime hed committed that could have hurt or even killed an enemies innocent kids and thus began his road to repentance

Capsules Tom Sabino, 2025-08-13 Told through the voice of Tommy Colozzo *Time Capsules* is a humorous yet harrowing and imaginative depiction of a young boy struggling to find his place within his family school and the workplace. Beginning in the 1980s and spanning five decades *Time Capsules* speaks to audiences of all ages. Easily distracted and often seeking dopamine boosts in the thrills of risk-taking, Tommy listens to the guidance of an intrusive Voice residing in his mind. As he grows up, the Voice evolves just as his antics do. Thankfully, Tommy has allies: two unforgettable classmates who balance him with reason, empathy, and the occasional smack in the head amidst his craziness. Tommy's journey reaches a turning point in adulthood as he battles alcoholism, drug addiction, self-hate, and ultimately self-love. Now as an ADHD-diagnosed adult, he faces a life-altering decision: Can he continue living as he is, or will he find the courage to seek help from a loving God who is willing to give him another chance? That is if he is willing to take a leap of faith.

Charissa Dufour, SUCKED IN Struggling vampire romance novelist Ashley Hawn was living her dream. By day she worked as a clerk at a local grocery store, and by night she immersed herself in the imaginary world of sexy vampires, shirtless men, and endless parties. Between work, her writing, and her best friends Chloe and Jordan, life was good. She was even dating a mysterious and sexy man, or so she thought, by the name of Isaac. Then, in a flash, her whole world changed, and she discovered herself turned. Quickly, she finds that life as a vampire is less sexy, shirtless men, endless parties, and is more running for her life as she tries to dodge the attacks of every mythological creature in the area. *SUCKED AWAY* Barely surviving the resurrection of the warlock Sedgrave, Ashley has healed in body if not in mind. As she slowly tries to piece together her mind, sorting past from present and friend from foe, the time of her joining a ritual designed to bind her to her seethe comes upon her. Before the ritual can be completed in full, it is interrupted by a ragged pack of werewolves seeking asylum and protection. Meanwhile, a storm is brewing in the mystical world with Ashley at its center, and before she knows it, her calm existence is once more Sucked Away. *THAT SUCKED* Ashley Hawn's vampire existence has been anything but calm. Turned for the sole purpose of raising a long-dead warlock from the grave, Ashley has spent her new life fighting against those who would use her. Now the warlock is back, and Ashley finds herself connected to him in every way possible. She must work alongside her friends to stop him from enslaving the entire human population. Meanwhile, the men in her life continue to show her romantic inclinations. As Ashley works to break the connection between her and the warlock, she ducks and dodges the attention of her male friends, doing her best to ward them off without ending the friendship. Will Ashley kill Sedgrave, and will she have any friends left when it is all over?
