*The Golden Path to Successful Personal Soul Winning* John R Rice, 1988-08      **Personal Soul Winning** John R. Rice, 1961      **You Can Be a Soul Winner!** Nate Krupp, 2018-11-01 You can be a soul winner At the turn of the last century there were only two books on personal evangelism one by Charles Trumbull and one by R A Torrey Both taught personal evangelism methods to be used in the context of counseling seekers at mass evangelism crusades The restoration of personal evangelism to the Church      Personal Soul-winning William Evans, 1964      **The Secret of Soul Winning** Stephen Olford, David Olford, 2007-11-01 The late legendary pastor Stephen Olford s mid twentieth century ministry classic *The Secret of Soul Winning* returns to print in 2007 with extensive updates from his son David Olford plus a previously unreleased foreword by the late Adrian Rogers in addition to the original introduction from Billy Graham Here the Olfords relate many of their personal experiences with soul winning a vital practice among Christians but one that often seems the most difficult to do This time tested practical advice on how to share the good news of Jesus Christ still as relevant as the first day it was written is sure to greatly inspire a new generation of disciples Chapters include The Soul Winner s Truths Task Training Technique Target Travail Trials Temptations and Triumphs      *Soulwinning* T. L. Osborn, Tommy Lee Osborn, Daisy Osborn, 1980      **The School of Soul Winners and Soul Winning** Zacharias Tanee Fomum, 2016-06-10 The School of Soul Winners and Soul Winning contains the following books of Professor Zacharias Tanee Fomum You Can Lead Someone to the Lord Today 36 Reasons for Winning the Lost The Power of the Holy Spirit in the Winning of the Lost Soul Winning Volume 1 Soul Winning Volume 2 Salvation and Soul Winning The Winning of the Lost as Life s Supreme Task Soul Winning and Disciple making Victorious Soul Winning Once a person gets saved through repentance unto God and faith in the Lord Jesus Christ he is qualified to go straight to heaven Once he comes to a loving saving and abiding knowledge of the Lord Jesus Christ he is ready to march with the saints straight into heaven The only reason why a saved sanctified and perfected person is left here on earth after salvation is that he may be a soul winner We are to daily and desperately win souls as if we won t have another day again on earth And you can lead someone to the Lord anytime anywhere using an array of methods such as sharing your faith witnessing to Christ preaching the Gospel and evangelising publicly or privately The terrific reasons for winning the lost and the terrible consequences of not doing so should push every believer out where the sinners are If sinners die in their sins without hearing the Gospel the believer is to blame for it Their blood is upon him The only way to free yourself from the blood of all men is through the preaching of the Gospel Acts 20 26 However no one can win souls in his own strength There is need to tap into the power of the Holy Spirit for the winning of the lost Then the resulting fruit will be lasting and lustrous This volume presents several rapturous reasons for and benefits to be reaped from obeying the command to soul winning It is not enough to win souls to Christ and leave them like that It would be like catching fish from the lake admiring it celebrating the catch and then throwing it back into the lake to swim away Leading a soul to Christ is only the

beginning of a process That process must continue with making a disciple of Christ out of that soul you have won to Christ It ends when that disciple becomes mature and complete in Christ Jesus not lacking any good thing This volume introduces you to the School of Soul Winners and Soul Winning and carries you through various bends and bounds in the art and practice of soul winning We send this first volume on soul winners and soul winning out with a cry to the Lord that He should use it to transform every believer into a soul winner daily and deeply involved in soul winning The Art of Soul-Winning John Wilmot Mahood,2015-08-13 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
