## Narrative

You have just been shrunk down to the size of an ant. Write a story including the good and bad things about being so small.	Think about your favorite character from a book. Tell a story about getting to meet them for the first time.	Finish this story: I was taking my friend's picture in front of the volcano when all of a sudden . . .	Imagine you lived during the time of the dinosaurs. Now write a story about one of your adventures.	What if you were given 3 wishes but couldn't use them on yourself. Tell a story about what you would wish for and why.
What would happen if you lived during a time when there was no electricity? Write a story about your school day.	Write a story called, "The Luckiest Day of My Life."	Pretend you won a free vacation to anywhere in the world. Tell a story about your trip.	Write a story that uses these words: crocodiles, alligator, doctor, and jungle.	What if you were able to go to the future in a time machine? Decide what year you would visit and tell a story about your adventure.
Imagine you went to the zoo and could take home any animal for the day. Tell a story about your time together.	What would happen if you had one special superpower? Write a story telling how you would use it.	Write a story about living in an igloo in Antarctica.	Write a story called, "The Scared Dragon."	Suppose you were teacher for a day. Write a story about the changes you would make.
Finish this story: The pirates set sail on their ship in search of . . .	Write a silly story that uses these words: airplane, grapes, elephant, and book.	What if you had the chance to visit another planet? Write a story about your amazing journey.	Imagine you woke up one morning and could switch places with any person. Write a story telling what happens next.	Pretend you are stranded on a deserted island. Tell a story about how you would get off the island and back home.
