## **Personality And Personal Growth 6th Edition:**

*Personality and Personal Growth* Robert Frager, James Fadiman, 2005-01 This introduction to the subject of personality includes Far Eastern theories, feminist theories, and full biographies of every major figure discussed. **The Construction of the Self, Second Edition** Susan Harter, 2015-05-26 An important work from a leading scholar, this book explores self development from early childhood to adulthood. Susan Harter traces the normative stages that define the emergence of many self processes, including self esteem. She also addresses individual differences and societal influences on self development. Presenting pioneering empirical research, Harter shows that increasingly mature features of the self have both benefits and liabilities for psychological adjustment. The book highlights the causes and consequences of different types of self representations, including those that are unrealistically negative or positive. New to This Edition: Reflects more than a decade of conceptual, empirical, and methodological advances. Provides a broader sociocultural framework for understanding self development. Chapters on emerging adulthood, self esteem, and physical appearance. Self processes in the classroom, motivation, cross cultural issues, and the quest for authenticity. Expanded chapters on childhood, adolescence, and the self. Conscious emotions. Increased attention to the liabilities of our contemporary preoccupation with the self. **The Construction of the Self** Susan Harter, 2012-04-03 An important work from a leading scholar, this book explores self development from early childhood to adulthood.
