## **Personality Type And Religious Leadership:**

*Personality Type and Religious Leadership* Roy M. Oswald, Otto Kroeger, 1988-06-01 Combining pastoral and behavioral science expertise the authors spell out ways type and temperament theory illuminate the clergy role Learn how to use the 16 Myers Briggs personality types to recognize and affirm your gifts work with your liabilities and understand and accept those with whom you minister Being a parish pastor is a very complex role Our mission in this book is to make that task a little less complex and a little more fun by looking at our congregations through the lens of the MBTI The authors **Personality, Religion, and Leadership** , Christopher F. J. Ross, Leslie J. Francis, 2019-10-28 In *Personality Religion and Leadership* Christopher F J Ross and Leslie J Francis illustrate how Jungian archetypes can help religious leaders understand and deal with their personal spiritual journeys in times of stress and success and build strong religious communities that contain a diverse array of psychological types *Religious Leadership* Sharon Henderson Callahan, 2013-06-20 This title tackles issues relevant to leadership in the realm of religion It explores such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths

*Leadership is the Key* Herb Miller, 1997 Every clergyperson has a persona the public role he or she assumes in performing ministry for a congregation or organization For example the roles of preaching pastoring and church administration go with the territory in most congregations These tasks are part of the employment contract Every clergyperson also has an anima the true inner self reflecting deeply held ideals of conduct Because this inner core of being controls how a pastor lives out the details of ministry anima determines how effectively he or she fits the needs of a particular congregation or ministry role For example a minister who relates poorly to youth is seldom productive as a youth minister Listing twelve elements of the pastor's anima mix Herb Miller asserts that clergy are effective to the extent that the conscious and unconscious choices they make in developing each of these elements fit the needs of the congregation or church organization they serve In *Leadership Is the Key* he offers practical ways to influence these choices and maximize effectiveness in ministry *Psychological Type, Religion, and Culture* Christopher Alan Lewis, 2020-01-24 Comprising a selection of contemporary state of the art research that focuses on psychological type religion and culture this book can be divided into two particular areas of research The first section focuses on the religion and psychological type of Church leaders while the second section reports on Church members their religion and their psychological type The book attests to the importance of Jungian Psychological Type theory in understanding individual differences in religiosity within a variety of samples Authored by a wide range of international scholars employing a wide range of measures among diverse samples and in a variety of different cultures this research provides an important contribution to current and future research It facilitates future research work in the area outside of the white Anglo Saxon Anglophone Christian context on which it has traditionally

been focused This book was originally published as a double special issue of the Mental Health Religion Culture journal

*Be A Better Leader* Graham Osborne, 2016-09-15 The purpose of this book is to enable Christian leaders to understand their psychological type using the MBTI Myers Briggs personality indicator and to use this information to generate new insights into their own experience and performance It will enable leaders to develop better strategies to maximise their strengths and to work with their recognised weaknesses A significant amount of stress is experienced by Christian leaders This book will help them to focus on those aspects of their work that are energising and life giving Part One of the book introduces the theories of psychological type and how these apply to Christian leaders Part Two include detailed profile descriptions of each of the 16 MBTI personality types and explores the comfort zone for that type and difficulties experienced by that type outside of the comfort zone Each type description is written with the role of the Christian leader in mind and covers aspects of their role eg their experiences of worship prayer pastoral responsibilities administration and working with other
