

Persuasive Presentation

Persuasive presentation requires that you not only follow a persuasive model (like AIDA) but that you also plan both your verbal and visual content so that it can be delivered simultaneously.

Structure verbal content

- An effective opening
- An outline (roadmap)
- Clearly demarcated main points
- An effective closing

Compile visual content

- Translate verbal structure into draft slides
- Logically tie slides together with connectors
- Select an appropriate slide type
- Design each individual slide

Deliver verbally + nonverbally

- Control your pace, tone & volume when speaking
- Guide your audience (verbally emphasize logical connectors)
- Pay attention to your body language, attire, posture, and movement
