Bedford,James Matthew Barrie,2020-06-03 Peter Pan is a classic tale enjoyed by children for more than 100 years although these days it is better known through various movie adaptions that have been made from it And yet as they say the book is better than the movie Why Because movie makers are notorious for making changes to the books they are based on and these changes tend to take away from the magic the author poured into the original It is unfortunately the case that with Peter Pan even the book has been adapted many times too Well this is your chance to read the tale as it was originally written with its original illustrations drinking in the magic that started it all With even the cover being inspired by the original this edition is about as close as you can get to capturing the original thrill of Peter Pan Peter Pan was originally published in 1911 by J M Barrie with the title Peter and Wendy This edition is carefully constructed from that original text It also contains the original illustrations by F D Bedford Matte Cover 8 5x11 Large Print Can be used as a coloring book

**Peter Pan** James Matthew Barrie,2024-01-30 Barrie never described Peter's appearance in detail even in the novel Peter and Wendy 1911 leaving much of it to the imagination of the reader and the interpretation of anyone adapting the character Barrie mentions in Peter and Wendy that Peter Pan still had all of his first teeth He describes him as a beautiful boy with a beautiful smile clad in skeleton leaves and the juices that flow from trees In the play Peter's outfit is made of autumn leaves and cobwebs His name and playing the flute or pipes suggest the mythological character Pan Traditionally the character has been played on stage by an adult woman Peter Breaks Through All children except one grow up They soon know that they will grow up and the way Wendy knew was this One day when she was two years old she was playing in a garden and she plucked another flower and ran with it to her mother I suppose she must have looked rather delightful for Mrs Darling put her hand to her heart and cried Oh why can't you remain like this for ever This was all that passed between them on the subject but henceforth Wendy knew that she must grow up You always know after you are two Two is the beginning of the end Of course they lived at 14 their house number on their street and until Wendy came her mother was the chief one She was a lovely lady with a romantic mind and such a sweet mocking mouth Her romantic mind was like the tiny boxes one within the other that come from the puzzling East however many you discover there is always one more and her sweet mocking mouth had one kiss on it that Wendy could never get though there it was perfectly conspicuous in the right hand corner The way Mr Darling won her was this the many gentlemen who had been boys when she was a girl discovered simultaneously that they loved her and they all ran to her house to propose to her except Mr Darling who took a cab and nipped in first and so he got her He got all of her except the innermost box and the kiss He never knew about the box and in time he gave up trying for the kiss Wendy thought Napoleon could have got it but I can picture him trying and then going off in a passion slamming the door Mr Darling used to boast to Wendy that her mother not only loved him but respected him He was one of those deep ones who know about stocks and shares Of course no one really knows but he quite seemed to know and he often said stocks were up and shares were down in a way that would have made

any woman respect him Mrs Darling was married in white and at first she kept the books perfectly almost gleefully as if it were a game not so much as a Brussels sprout was missing but by and by whole cauliflowers dropped out and instead of them there were pictures of babies without faces She drew them when she should have been totting up They were Mrs Darling s guesses Wendy came first then John then Michael
