The sportsman's, tourist's, and general time-tables and guide to ... Scotland, ed. by J.W. Lyall, J. Watson Lyall, 1874 **Farmers' Guide**, 1898 **The Glannon Guide to Bankruptcy** Nathalie Martin, 2005

This clear, concise and effective review of bankruptcy topics offers brief explanatory text followed by one or two multiple choice questions after which the author explains how to make the correct choice. With the Glannon Guide to Bankruptcy, students review course content and also learn how to analyze exam questions. The book follows the successful structure of the Glannon Guide Series: the author integrates multiple choice questions into a full-fledged review of bankruptcy from the distinction between secured and unsecured debt to Chapter 11 plan issues. Lead-up discussions of law in the text prepare students to learn effectively from subsequent questions. Clear explanations of correct and incorrect answers help to clarify nuances in the law. Multiple choice questions strike the proper balance by being sophisticated yet fair, neither too difficult nor unrealistically straightforward. Questions challenge and reinforce student understanding and application of the bankruptcy rules. In most chapters, a more challenging final question called the Closer illustrates a more sophisticated problem in the area under discussion. At the end of the book, Closing Closer questions provide extra practice and helpful review. This new study guide offers special features tailored to the needs of students. The text is equally useful to all students, whether or not they will be tested by multiple choice questions on their exams. Far more user-friendly and interactive than other exam preparation aids, valuable exam-taking pointers are interspersed within the substantive text.
