Practical Concepts for Capstone Design Engineering Frederick Bloetscher, Daniel Meeroff, 2015-07-01 Practical Concepts for Capstone Design Engineering is the first and only comprehensive senior level college textbook that provides the essential information needed to complete a successful capstone project in civil construction or environmental engineering. The concept for the book is based on replication of the steps commonly used by practicing engineers to complete design projects from site selection investigation and site planning through the preliminary design calculations and drawing preparation. Students will gain valuable insight and preparation for civil and construction engineering professional practice and will learn how to smoothly transition from strictly academic work to solving real world problems in the context of their capstone projects. The authors provide professional quality work examples, case studies, helpful hints, and assignments at the end of each chapter that further enhance comprehension. In addition to providing students with the key skills necessary to successfully enter the profession, they will also be well prepared for the Fundamentals of Engineering Exam upon graduation.

I Wish I'd Quit Sooner Laura Hambley Lovett, 2026-01-13 A must-have practical guide by a leading mind in the organizational psychology field for anyone suffering under a toxic boss to navigate, escape, recover, and take back control of their career. Today's workers are increasingly frustrated and disillusioned as toxic bosses are allowed to thrive across organizations and industries from the boardroom to the Zoom room. *I Wish I'd Quit Sooner* is a fresh, informative, and practical guide for the millions of employees worldwide who endure unhealthy workplace dynamics. This insightful book helps readers recognize the signs of toxic leadership and gives them strategies to better manage their situation, exit, and recover. Based on Dr. Laura's twenty-five years of applied experience in the field of organizational psychology and informed by her latest North American research on this topic, this is an engaging, relatable, and evidence-based handbook that provides a new language around the behaviors and impacts of a toxic boss, including a breakdown of eight common personas: the Self-Serving Egomaniac, the Control Freak, the Dishonest Manipulator, the Great Divider, the Unethical Corrupter, the Abusive A-Hole, the Disordered Personality, the Narcissist, and the Sociopath, and the Gaslighter. With the help of *I Wish I'd Quit Sooner*, readers will learn practical tools to identify and start important conversations to advocate for themselves and to regain control of their career and well-being.
