*Communication Strategies for Today's Managerial Leader* Deborah Britt Roebuck,2012-01-24 Given that communication is the lifeblood of an organization managerial leaders need to understand how to use communication strategies to build their teams to achieve organizational objectives Studies repeatedly point to the impact communication skills have on the ability of managerial leaders to succeed or fail Too often individuals move into managerial leadership roles without awareness of the need to improve their communication skills These individuals may be subject matter experts whose technical skills allowed them to succeed as individual team members but when placed in managerial leadership roles they fail because they lacked the relationship building skills needed to foster teamwork Therefore this book provides the

communication principles that are so critical for today's managerial leader. It builds a solid foundation while it guides readers in strategies to enhance their written, oral, and interpersonal communication skills. Most research has stated and the author has found true in her own managerial leadership roles a leader spends the majority of his or her day interacting with others. As managerial leaders individuals face many challenging situations such as determining how to inspire a shared vision about goals and objectives, building trust within their unit, listening with an open mind, giving feedback and encouraging collaboration to name a few. The focus switches for the managerial leader from doing things to leading others. Therefore this book is for anyone who currently serves as a managerial leader or for anyone who desires to manage and lead others. Most managerial communication books focus on the important written and oral communication skills. While the author believes these skills are critically important she found in her role as a managerial leader she devoted the majority of her time to interpersonal communication. Leaders need to build teams and to maintain relationships with all stakeholders. The best way to make that happen is through skills such as listening, asking questions, and giving feedback. Therefore this book includes an emphasis on interpersonal communication. As Chris M. Martin stated in a recent article The ability to communicate effectively may be the number one management quality. Therefore this book will raise awareness relative to oral, written, and interpersonal communication skills so that individuals can become better managerial leaders.

[Likeable Business: Why Today's Consumers Demand More and How Leaders Can Deliver](#) Dave Kerpen, Theresa Braun, Valerie Pritchard, 2012-10-30 It pays to be LIKEABLE. You can have a rock solid business strategy, unlimited resources and the most talented people on staff. But only one thing is guaranteed in today's hyperconnected society if your business isn't likeable it will fail. Dave Kerpen knows how important it is for a business to be liked by customers, employees, stakeholders, and the general public. He wrote the book on it. His groundbreaking bestseller Likeable Social Media changed the way businesses interact with their customers on a daily basis. Likeable Business lays out 11 strategies for organizations of all sizes to spur growth, profits, and overall success. Dave Kerpen reveals the remarkable returns you'll get when you gain the trust of your customers and stakeholders. In today's social media world it literally pays to be likeable. Likeable Business helps any leader at a small or mid-sized company increase profits and spur growth by applying the 11 principles of business likeability such as LISTENING to customers, colleagues, shareholders, and competitors. AUTHENTICITY because today's savvy customer always knows when you're faking it. TRANSPARENCY honesty builds trust and any deviation can destroy your reputation. ADAPTABILITY managing change and finding new opportunities is critical to success. today SIMPLICITY in design, in form and in function. GRATEFULNESS every thank you is appreciated and generates surprising returns. Likeability spreads. As a business leader you set the tone. Be likeable and your staff will be likeable which in turn creates a more likeable customer experience. The blueprint for everlasting business likeability is in your hands. Apply Kerpen's basic principles day in and day out and profits and growth are sure to follow. Praise for Likeable Business Dave Kerpen has explained why customers expect more and he
