self employed you are the business Because your success is often based on your relationships with clients suppliers and the
community sales skills are essential However many self employed people are not secure or comfortable with their selling
abilities In Sales for the Self Employed author Martin Edic reveals to readers his six step action process that ensures every
sale Writing from his own experience as a small business owner Edic explains that many people dislike sales because of a
general misunderstanding about what sales really is Selling is not talking people into things they don t want says Edic selling
is offering them solutions to problems they face and making it easy for them to acquire these solutions Edic includes
information about prospecting customer profiling telephone sales follow up and improving your product Other chapters
include First Contact Fear and Rejection Your Sales Plan Negotiation Divided into three sections Sales for the Self Employed
is a sales instruction guide for both the non sales professional and the professional with substantial sales experience About
the Author Martin Edic is a marketing consultant with sixteen years of sales experience His previous book Marketing for the
Self Employed a companion to this book is also from Prima
