Effective Platform Product Management Tabassum Memon, 2021-11-12 Turn your platform into the next big thing with expert advice to scale and implement a proven growth roadmap across multiple channels Key FeaturesGain expert insight about platform business models and how they're different to linear productsExplore the end to end platform life cycle from developing a strategy to measuring the outcomeFollow real life examples to discover the most effective growth strategies your platformBook Description Scaling a platform is a lot different than scaling a product. This is why product managers developing or transitioning to a platform model are often facing completely new challenges both technical and strategic. But if you want to build the next Amazon, Netflix, Spotify or a completely new type of platform then you need to adopt a platform first approach to change how you invent, develop and market solutions. This is where Effective Product Platform Management comes in. This book addresses product management as a critical pillar of platform

development. It'll help you understand the difference between traditional and modern product management for platforms and even decide whether the platform business model is the way to go for you. As you progress you'll be able to build the right platform strategy, define the MVP and focus on ongoing backlog prioritization for successful platforms. This book will also walk you through the practical steps and guidelines that can ease your organization's transition from linear products to platforms. By the end of this platform product management book, you'll have learned the essential aspects of product management for building successful and scalable platforms. You'll also have a clear understanding of the next steps you need to take to perfect and execute your new platform strategy and take on the world. What you will learn:

- Understand the difference between the product and platform business model.
- Build an end-to-end platform strategy from scratch.
- Translate the platform strategy to a roadmap with a well-defined implementation plan.
- Define the MVP for faster releases and test viability in the early stages.
- Create an operating model and design an execution plan.
- Measure the success or failure of the platform and make iterations after feedback.

Who this book is for:

If you're a product manager, product owner, product director, or a business executive working on a platform strategy and its day-to-day execution, then this book is for you. It will also be useful for change managers and program managers tasked with transitioning from products to platforms. You won't need any prior knowledge of platform strategy or platform transitioning before you get started since the book covers all the basics but taking notes to reflect on your journey as you work through the practical examples in this book is recommended.

[The Zero Transaction Cost Entrepreneur: Powerful Techniques to Reduce Friction and Scale Your Business](#)

Dermot Berkery, 2023-08-08

Harness the power of zero transaction costs to ensure long-term success in every new business proposition. For many business professionals, the daily to-do list is hard enough to stay on top of, let alone coming up with the big ideas necessary to take their company or a whole economy to the next level. But if coming up with those ideas or finding start-ups that do is your job, then *The Zero Transaction Cost Entrepreneur* is an absolute must-read for you. With more than 20 years of experience and an extraordinary record of success stories to his credit, venture capitalist Dermot Berkery has seen thousands of business plans and in these pages, he shares the key ingredient these successes stories have in common: Smart transaction cost economics. Simply put, these businesses lower or eliminate transaction costs for their customers. Here's just one of the real-world examples you'll find within: Blockbuster Video scored big by making movies easily available to rent through the mail. They tackled other transaction costs: limited choice and wasted time by moving to streaming. Finding and loosening these transaction cost creates extraordinary opportunities in every field and industry for entrepreneurs and venture capitalists, to corporate strategists and R&D heads. In these pages, you'll discover how transaction cost economics can work for you in chapters that include: Why Do Other People Come Up with All the Brilliant Ideas? The 8 Major Categories of Transaction Costs; Makers of Products Need to Transform them into Services; Why Are Transaction Costs Falling Rapidly?
