## Hulu Ideas:

**A Malay Frontier** Jane Drakard, 2018-05-31 The way in which Malays construe ideas about authority and government is the subject of this book Focusing upon an often ignored section of the Malay archipelago Barus a small kingdom on the coast of northwest Sumatra the author compares readings based upon the royal chronicles of Hilir and Hulu Barus She examines the relationship between the upland and the lowland to study the character of Malay political culture in Barus Innovator's Survival Guide Kevin William Grant, 2025-03-22 Innovation is essential for progress but the journey is often fraught with challenges that can take a serious toll on mental health From navigating workplace politics and dealing with resistance to managing the emotional ups and downs of risk taking the path of an innovator can be as overwhelming as it is rewarding The Innovator's Survival Guide is designed to help entrepreneurs executives creatives and change makers push boundaries without sacrificing their well being Blending real world corporate experience with insights from clinical psychology coaching and leadership development Kevin William Grant explores the intersection of innovation resilience and mental health This book provides a framework for understanding the psychological challenges innovators face and offers practical evidence based strategies to navigate them effectively What You'll Learn The Psychological Cost of Innovation Why innovators often struggle with stress imposter syndrome and burnout and how to recognize the early warning signs before they take a toll on your mental and emotional well being Managing Resistance and Workplace Politics How to deal with corporate inertia toxic workplace cultures power struggles and stakeholders who resist change Learn how to advocate for ideas while maintaining professional and emotional balance The Neuroscience of Creativity and Resilience How innovation impacts the brain and how to harness cognitive flexibility emotional intelligence and strategic thinking to enhance creative problem solving Fail Fast Adapt Faster How to reframe failure as an opportunity use iterative learning techniques and develop the mindset necessary to navigate setbacks without losing momentum Sustaining an Innovation Culture How leaders can create environments that foster psychological safety encourage experimentation and support long term creative success without burnout Work Life Balance for High Performers How to set boundaries maintain personal well being and prevent the exhaustion that often comes with high stakes problem solving and constant reinvention This book goes beyond traditional innovation theory by addressing the human side of change making the emotional psychological and practical realities of challenging the status quo It provides actionable strategies to help innovators sustain their energy stay mentally strong and continue to drive meaningful progress without losing themselves in the process Whether you're building a startup leading transformation in a corporate setting or striving to bring new ideas to life The Innovator's Survival Guide equips you with the insights and tools to succeed without sacrificing your well being Think Like Amazon: 50 1/2 Ideas to Become a Digital Leader John Rossman, 2019-05-03 Reading this book is like having Jeff Bezos advise me Eric Martinez Founder and CEO of Modjoul The former Amazon executive who launched and scaled Amazon Marketplace delivers the ultimate playbook on how to think like

Amazon and succeed in the digital age What would Jeff do Since leaving Amazon to advise start ups and corporations John Rossman has been asked this question countless times by executives who want to know the secret behind Amazon s historic success In this step by step guide he provides 50 1 2 answers drawn from his experience as an Amazon executive and shows today s business leaders how to think like Amazon strategize like Bezos and beat the competition like nobody s business Learn how to Move forward to get back to Day 1 and change the status quo Use the working backwards innovation and problem solving approach to lead the way Become a platform company with the right platform strategy Create customer obsession and grant your customers superpowers Experiment fail rinse and repeat Decentralize your way to digital greatness Master the magic of small autonomous teams Avoid the trap of past positions Make better and faster decisions Use metrics to create a culture of accountability and innovation Use AI and the Internet of Things to reinvent customer experiences In addition to these targeted strategies you ll receive a rare inside glimpse into how Jeff Bezos and Amazon take a remarkably consistent approach to innovate explore new markets and spark new growth You ll understand the unique mindset and inner workings that drive Amazon s operational excellence from its ground up approach to new digital markets to its out of the box attitudes on innovation Along the way you ll learn specific game changing strategies that made Amazon stand out in a crowded digital world These include actionable ideas that you can use to transform your culture expand your business into digital and become the kind of platform company that customers obsess over Rossman also offers invaluable insights into the latest technologies e commerce marketing online culture and IoT disruptions that only an Amazon insider would know If you want to compete and win in the digital era you have to Think Like Amazon     Culture, Innovation and Entrepreneurship Michael Lounsbury,Joep Cornelissen,Nina Granqvist,Stine Grodal,2021-05-24 Even though the study of innovation and entrepreneurship is a diverse multi disciplinary endeavour the role of culture is often neglected or under emphasized Building on the cultural turn that has swept across the social sciences and humanities over the past couple of decades Culture Innovation and Entrepreneurship provides cutting edge theoretical and empirical insights about how culture shapes innovation and entrepreneurship It features novel contributions that enhance our understanding about a variety of important theoretical issues related to symbolic management framing legitimacy optimal distinctiveness institutional logics and the dynamics of cultural entrepreneurship in and across organizations This book also addresses a diverse range of topics such as the design of craft goods the creation of the Guggenheim museum entrepreneurial ecosystems open innovation crowdfunding the mafia and grand challenges The chapters in this volume will be of interest to a diverse array of scholars from those interested in entrepreneurship and innovation to cultural studies contemporary social theory organization studies and management The chapters in this book were originally published as a special issue of the journal Innovation Organization and Management     **The Business of Media Distribution** Jeff Ulin,2013-10-15 First published in 2013 Routledge is an imprint of Taylor Francis an informa company     **Research Handbook on Electronic Commerce Law** John A.

Rothchild,2016-09-30 The steady growth of internet commerce over the past twenty years has given rise to a host of new legal issues in a broad range of fields This authoritative Research Handbook comprises chapters by leading scholars which will provide a solid foundation for newcomers to the subject and also offer exciting new insights that will further the understanding of e commerce experts Key topics covered include contracting payments intellectual property extraterritorial enforcement alternative dispute resolution social media consumer protection network neutrality online gambling domain name governance and privacy

**Facts and Other Lies** Ed Coper,2022-02-01 From fringe conspiracy theories to alternative facts a timely look at how we arrived in the fake news era Would your younger self believe the news of today An entire city block blown up by a suicide bomber on Christmas Day because he believed phone towers spread disease A Representative elected to the US Congress on a platform that Democrats are secretly harvesting an anti aging chemical from the blood of abused children Angry rioters in furs and horns overrun the Capitol in a bloody carnage of insurrection The Prime Minister of Australia employing the wife of his friend who fronts a group the FBI has declared terrorists A global pandemic which even as they lie dying from it people refuse to believe exists Many who sat in shocked disbelief as these events beamed around the world asked the same question How did we get here For those rioters it was the culmination of a journey of online radicalisation that began with the weaponisation of disinformation by their political leaders and outrageously biased news commentators Facts and Other Lies puts fake news in its historical context and explains how disinformation has fractured society even threatening democracy itself It explains why disinformation is so potent and so hard to stop and what we can do to help prevent its proliferation in Australia where politicians and shock jocks are already operating from the same dark playbook It outlines how anyone can defuse disinformation in the home office or pub or wherever the deluded gather to spread their nonsense Be prepared This is a timely account of a growing malignancy affecting all modern democracies Kevin Rudd former Prime Minister of Australia Ed Coper keenly explains how lying has been normalised in right wing media both social and mainstream The Trump inspired attack on the US Capitol on 6 January is just one consequence Coper deftly shows us what is to be done and offers some real solutions to restore trust in public discourse Malcolm Turnbull former Prime Minister of Australia Fascinating and terrifying illuminates so much about humans and social media Bri Lee author of Who Gets to Be Smart Read this book if you want to save democracy Wayne Swan former Deputy Prime Minister of Australia Few have mapped our information dystopia more effectively and entertainingly than Coper Bernard Keane Politics Editor Crikey Essential reading for anyone wanting to cut through the nonsense and get to the truth Eason Jordan former Chief News Executive CNN We live in a world that unfolds at a pace and with the violent twists and turns in the plot of a thriller This book captures the intensity of our politics and connects it to the science of misinformation a great read Professor Stephan Lewandowsky Chair in Cognitive Psychology University of Bristol
