## **Lyft Near Me:**

My Testimony Devin Paladino,2020-12-21 From growing up on the rough sides of Rockford and Chicago Illinois without a mother around to enduring many beatings from his abusive father who later ends up in prison while he is 13 years old to being placed in the foster care system and going to 3 homeless shelters 13 different foster homes a residential facility for two years to being robbed at gunpoint sleeping inside of a greyhound bus station and an airport all while just hitting the age of 18 years old the young Author takes you through a journey opening up about the struggles and hardships he has faced throughout his life all while trying to become successful and beat the odds

## **The Sharing Economy** Arun

Sundararajan,2017-04-21 An insightful guide to the forces shaping our economy that explores the far ranging implications of the shift to crowd based capitalism with case studies on Uber Airbnb and others Hal Varian Chief Economist at Google

Sharing isn't new Giving someone a ride having a guest in your spare room running errands for someone participating in a supper club these are not revolutionary concepts What is new in the sharing economy is that you are not helping a friend for free you are providing these services to a stranger for money In this book Arun Sundararajan an expert on the sharing economy explains the transition to what he describes as crowd based capitalism a new way of organizing economic activity that may supplant the traditional corporate centered model As peer to peer commercial exchange blurs the lines between the personal and the professional how will the economy government regulation what it means to have a job and our social fabric be affected Drawing on extensive research and numerous real world examples including Airbnb Lyft Uber Etsy TaskRabbit France's BlaBlaCar China's Didi Kuaidi and India's Ola Sundararajan explains the basics of crowd based capitalism He describes the intriguing mix of gift and market in its transactions demystifies emerging blockchain technologies and clarifies the dizzying array of emerging on demand platforms He considers how this new paradigm changes economic growth and the future of work Will we live in a world of empowered entrepreneurs who enjoy professional flexibility and independence Or will we become disenfranchised digital laborers scurrying between platforms in search of the next wedge of piecework Sundararajan highlights the important policy choices and suggests possible new directions for self regulatory organizations labor law and funding our social safety net

*Language Contact and Development Around the North Sea* Merja-Riitta Stenroos, Martti Mäkinen, Inge Særheim, 2012 This volume brings together eleven studies on the history of language and writing in the North Sea area with focus on contacts and interchanges through time Its range spans from the investigation of pre Germanic place names to present day Shetland the materials studied include glosses legal and trade documents as well as place names and modern dialects The volume is unique in its combination of linguistics and place name studies with literacy studies which allows for a very dynamic picture of the history of language contact and texts in the North Sea area Different approaches come together to illuminate a major insight the omnipresence of multilingualism as a context for language development and a formative characteristic of literacy Among the contributors are experts on English Nordic and
