Murder In The Desert:

The Murder in Desert Inn Virginia Close, 2021-05-28 Nelly's adventures of a myth like fantasy conjure her identity when she suddenly finds herself in the desert. Never in her dreams exists the notion that the murder in Desert Inn is her ticket to go back to the past. The craving for action, the places she used to visit like mortuaries, courthouses, and chasing the criminals to find the truth were her kicks that she is able to manifest again. The time to relive her long ago is cardinal to her happiness. And it is happening. The murders of Jane Doe and Laura Jenkins are good enough reasons for Nelly to write crime news again. The desert reveals itself. Her passion for finding the truth is inevitable and unstoppable. Nelly has to dig deeper, not to find gold but to solve the mystery of the murder in Desert Inn. The desert is the crime scene. Her world becomes incomprehensible to the likeness of a different planet, rationalisation far beyond her grasps. As she discovers the characters that lead her to the murderer, the universe opens the door to her real world. Her past is now following her that she can not control. Is she dreaming or travelling in time, the reason she can see the past, present, and the future? Who is the culprit or culprits of the murder in Desert Inn? The thrill and excitement of the unfolding saga will bring you to the space that you have never imagined before.

Murder on Mount Desert David Rawson, 1995. A fast moving plot, vivid local color, plenty of action characterize this mystery adventure novel set on the quiet side of Mt Desert Island. A seemingly routine evening's duty for Sheriff's Department patrolman Jimmy Hoitt quickly develops into a complex investigation when the victim of a hit and run turns out to have been in the Federal Witness Protection Program. High speed chases, a terror filled hour with Jimmy as the target of a sniper, heart stopping moments on the cliffs of Cadillac Mountain keep the story rolling.

Death Desert Robert Moore Williams, 2010-10-01. The savage code of Martians was as ruthless as desert they lived on and more valuable than millions of gems.

Death in the Desert Patricia Matthews, 1999. Rob Harding, an investigator with the Governor's Task Force on Crime, puts his own life on the line when he decides to re create an illegal crossing from Mexico into Arizona in which one man was murdered and four others left in the desert to die.

Intuitions of Justice and the Utility of Desert Paul H. Robinson, 2013-05-23. Research suggests that people of all demographics have nuanced and sophisticated notions of justice. *Intuitions of Justice and the Utility of Desert* sketches the contours of a wide range of lay judgments of justice touching many if not most of the issues that penal code drafters or policy makers must face.

Desert Songs Arita Baaijens, 2008. Arita Baaijens gave up her job as an environmentalist nearly twenty years ago and has been exploring the deserts of Egypt and Sudan with her small camel caravan ever since. In *Desert Songs* she recounts her passion for the desert, the place she loves and fears. On one level *Desert Songs* reads as an ode to camels, vistas, and horizons, nomads, and exploration. On another, it is a story about an inward journey, a rite of passage. It is about leaving the world you know to venture into the unknown where you discover your true strength. How strong are you when there's no backup? Where do your limits lie? Baaijens sets out on a voyage of self discovery and unrelenting physical trials to find the answers. The experience
