Music Strapline Ideas:

Music: Ideas in Profile Andrew Gant, 2017-03-02 Ideas in Profile Series Is music a science or an art It s both as Andrew Gant reveals in this lively and accessible account of what music is and what it s for Music has been central to life since the dawn of humankind and is intimately bound up with the origins of language Andrew Gant introduces us to its long history and its many genres and manifestations He explains how composers compose players play and singers sing He looks at how musical styles develop the ways they fall in and out of fashion and why certain kinds of music dancing and love songs for example is a universal in human culture He considers how music is composed the nature of genius and the workings of inspiration He shows how music can be composed and used to stir patriotism instill courage reinforce identity sell a product or make a political point And he goes beyond humans to examine music in the natural world in the creativity of birdsong This is in short the ideal introduction to a very big subject

Country Music Broke My Brain Gerry House, 2024-01-09 Nashville is filled with stars and lovers and writers and dreamers Nashville is also teeming with lunatics and grifters and dip wads and moochers Gerry House fits easily into at least half of those categories Someone would probably have to be brain damaged or really damn talented to try to entertain professional entertainers over a decades long radio show in Music City USA Fortunately House is little of both Host of the nationally syndicated top rated morning show Gerry House The Foundation for more than 25 years he has won virtually every broadcasting award there is including a place in the National Association of Broadcasters Hall of Fame Gerry also spent that time deep inside the songwriting and recording world in Nashville In *Country Music Broke My Brain* Gerry tells his stories from the other side of the microphone He reveals never aired never before published conversations with country music s biggest names Johnny Cash Brad Paisley and Reba McEntire to name a few and leaves you with his own crazy antics that will either have you laughing or shaking your head in disbelief With exclusive celebrity stories humorous trivia and anecdotes and broadcasting wisdom this book is a treat for country music fans or for anyone who wants a good laugh

Music Trade Indicator , 1928 **100 Ideas for Teaching Writing** Anthony Haynes, 2007-05-10 The book is full of practical tips including instant lessons effective resources and lists of dos and don ts Emphasis is put on providing pupils with a sense of purpose opportunities to write for real and varied audiences

Play, Creativity and Digital Cultures Rebekah Willett, Muriel Robinson, Jackie Marsh, 2012-08-21 Recent work on children s digital cultures has identified a range of literacies emerging through children s engagement with new media technologies This edited collection focuses on children s digital cultures specifically examining the role of play and creativity in learning with these new technologies The chapters in this book were contributed by an international range of respected researchers who seek to extend our understandings of children s interactions with new media both within and outside of school They address and provide evidence for continuing debates around the following questions What notions of creativity are useful in our fields How does an understanding of play inform analysis of children s engagement with digital cultures How might

school practice take account of out of school learning in relation to digital cultures How can we understand children s engagements with digital technologies in commercialized spaces Offering current research theoretical debate and empirical studies this intriguing text will challenge the thinking of scholars and teachers alike as it explores the evolving nature of play within the media landscape of the twenty first century [The Purchaser's Guide to the Music Industries](#) ,1961 *Literacy Place* ,1996 **Buyer's Guide to the Piano, Organ and General Music Trades** ,1966 **The British Musical Film** John Mundy,2007-07-15 The British Musical Film is the first book to examine this neglected area of British cinema as it developed from the early so called silent period to the present Offering a comprehensive survey of musical films across the decades it also includes detailed critical analysis of individual films The Red Shoes and Oliver among them and the creative personnel who worked on them **Marketing** ,2009 *On the Record* Steven Joyce,2023-08-15 A candid and comprehensive account from one of National s main powerbrokers during the John Key years Few ministers have such influence and make the impact and contribution Steven Joyce did We knew him as Mr Fixit the press gallery called him The Minister for Everything but the public saw it more simply He was the guy who got the stuff they wanted done and he did it in spades and with style Sir John Key Steven Joyce was at the heart of the sustained policy and political success of the John Key government He has a unique combination of discipline positivity and political acumen He got stuff done Sir Bill English Before Steven Joyce entered politics he had a hugely successful 17 year career building and running the radio network RadioWorks He learnt to cut deals compete ferociously and carefully manage the on air talent They were all skills he would put to great use when he joined the National Party After entering Parliament in 2008 when John Key took back power from Labour Joyce was appointed directly into Cabinet and was a senior minister for almost all of his 10 years in Parliament Alongside his portfolios including transport infrastructure tertiary education and economic development Joyce occupied a pivotal role as National s campaign strategist including leading the party s winning campaigns in 2008 2011 and 2014 Such was Joyce s effectiveness he gained the nickname of Minister for Everything Alongside Key and Bill English Joyce was one of the main powerbrokers of the Key government as both strategist and upholder of party discipline Here Joyce details the hard slog discipline and negotiating skills necessary to thrive in the often brutal world of politics On the Record reveals what it takes to win and keep office and the secrets behind the strategy and campaigning that led to National being in power for almost a decade This is an essential read for anyone interested in the business of governing packed full of insider knowledge honest appraisals of the main players entertaining anecdotes and the reality of how politics works **Monster Magic** Zinita Fowler,1983 Intended as a usable resource for librarians and teachers in planning and implementing a program for young library users and students this book was developed to stimulate children to use the library The introduction contains opening comments including an explanation of how the theme of monster magic inspires creativity specific goals and a planning guide The next section on background and sources includes a general definition of a monster and definitions of six specific kinds of
