My Actor-Husband ,2015-06-29 Excerpt from My Actor Husband A True Story of American Stage Life In presenting this autobiography to the public the author feels it incumbent upon herself to impress upon her readers the fidelity and strict adherence to the truth relative to the conditions which surround the player In no instance has there been either exaggeration or a resort to imaginative creation It is a true story with all the ugliness of truth unsoftened and unembellished Nor is the situation presented an exceptional one One has but to follow the career of the average actor to be convinced that the dramatic profession is not only inconsistent with but wholly hostile to the institution of marriage Managers and actors alike know and admit this to be the truth amongst themselves What they say in print is of course merely so much self exploitation The success of any branch of the show business is dependent on the bureau of publicity About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
