My Book Of Islamic Stories:

5 Islamic Short Stories for Children Muhammad Iqbal, 2020-03-27 This engaging children's book contains a collection of 5 short stories geared towards the nurturing and nourishing the minds of young Muslim children. With relevant quotes from the Qur'an and Hadeeth at the end of each story, Parents will be delighted to find that they can teach their children Islamic values in a fun and enjoyable way. Stories include Chapter 1 Imran's New Scooter Chapter 2 Yahya and the Cat Chapter 3 Maryam's Crayons Chapter 4 Abdullah Tells the Truth Chapter 5 Eesa's Trainers. These stories will undoubtedly be a great way to nurture core Islamic virtues for the whole family. Islamic Stories For Kids Amina Hashi, Mohamed Hashi, 2019-09-29 This Islamic story book is designed to take children on an entertaining journey about Islam. In the book, there are seven stories which are derived from the Quran and Hadith. The book is generally straightforward in terms of vocabulary, making it readable for children and people who are studying English as a foreign language. Each story has a moral to learn from. In addition to that, there is an activity to complete with a glossary at the end. *Inspiring Islamic Stories for Boys and Girls Volume 1* Julia Hanke, 2020-11-04 Inspirational simple Islamic Stories and authentic Islamic Facts for Kids. The Book *Inspiring Islamic Stories* is not like other Islamic Books for Kids. It contains three stories; one of them is the most inspiring and unforgettable story of all Prophet Muhammad. Peace and Blessings of Allah be upon him. This Islamic bedtime book for Toddlers is filled with good Islamic morals and manners, teaching your child age three and above about Allah and to understand the importance of good and bad actions. It has been created in recognition of the need for books that tell real authentic Islamic stories for children. Most of the Islamic children's books available today lack authenticity or are written in a complicated language for young Muslims to understand. *Inspiring Islamic Stories* is written in a way that even very young kids can easily understand. The author made these stories as authentic as possible by taking stories and information from the Quran, Tafseer Ibn Katheer, Bukhari, Muslim, and other authentic Hadith books, and simplifying the language and adding context children can understand without changing the intended meaning. This simple language results from an interactive reading process between the author and her children. If you are looking for a good Islamic children's book with inspirational simple stories for kids 2-10, this colorful picture book is a great choice. Don't be surprised if it quickly becomes one of their favorite books; they ask to read again and again. Editorial Reviews: I thought this book was enlightening and entertaining. Also, I think there are many similarities across religions with respect to their morals and values for a life well spent. I cannot say whether the book might be confusing for very small children from different faiths, but I think it would be great for Islam children of various ages and for older children from other faiths. Dr. Jay: The idea would have been to buy the book, brand it to MC, and give it away free. But you will make more money selling it; it seems so. Jzk Head Admin of Muslim Central, whose co-director is Mufti Ismail Menk, Zimbabwe. And as a children's book author myself, I like to see what new books are out there. This book is VERY nicely illustrated, calming color scheme, enchanting overall, and evenly paced. It can be hard to write for a
