My Boyfriend Is A Mormon Vampire:

My Boyfriend is a Mormon Vampire Lexi Bjornholt, 2011 The school cafeteria table was cold and hard as polished marble just like his rapturous chest which was the first thing I noticed between bites of stale broccoli and salty potato chips while I was trying to make meaningless conversation with my new partially hung over friends I perceived immediately if not sooner that he was very different from every other boy I had ever met and I don't just mean the fangs Back cover The Vampire in Folklore, History, Literature, Film and Television, 2015-09-18 This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present More than 6 000 entries document the vampire's penetration of Western culture from scholarly discourse to popular culture politics and cook books Sections by topic list works covering various aspects including general sources folklore and history vampires in literature music and art metaphorical vampires and the contemporary vampire community Vampires from film and television from Bela Lugosi's Dracula to Buffy the Vampire Slayer True Blood and the Twilight Saga are well represented The Vampire Goes to College Lisa A. Nevárez, 2013-12-03 This collection of original essays presents pedagogical tools methods and approaches for incorporating the figure of the vampire into the learning environment of the college classroom in the hopes of ushering the Undead out of the coffin and into the classroom The essays foster interdisciplinary collaboration and dialogue and serve as a collective resource for those currently teaching the vampire as well as newcomers to vampire studies Opening with a foreword by Sam George the collection is organized around such topics as historicizing the vampire teaching the diverse vampire and engaging the student learner Interwoven throughout the volume are strategies for incorporating writing instruction and generating conversations about texts texts defined broadly so as to include film and other media The vampire allows instructors to explore timeless themes such as life and death love and passion immortality and monstrosity and Otherness Stephenie Meyer Tracey Baptiste, 2013-11 Explores the life and literary career of Twilight author Stephenie Meyer Includes photographs a chronology a list of her works and further reading sources *Bad Blood* Mari Mancusi, 2010-01-05 The newest Blood Coven novel accompanied by edgy repackages of the rest of the series Sunny McDonald is in the ultimate forbidden relationship Her boyfriend Magnus is a vampire and the leader of the Blood Coven And when the Coven decides that Magnus needs a mate to be his co ruler Sunny's humanity puts her out of the running The Coven's chosen candidate is Jane Johnson a magna cum laude graduate of Oxford University who just happens to look like a vampiric supermodel Sunny is suspicious of a Rhodes Scholar who can't answer the most basic poli sci questions but Magnus brushes it off as petty jealousy Still when the Blood Coven goes to Las Vegas for a vampire convention Sunny and her twin sister Rayne secretly tag along And Sunny's not going home before she learns the truth about Jane Because not everything stays in Vegas especially bad blood **The Psycho Records** Laurence A. Rickels, 2016-09-06 The Psycho Records follows the influence of the primal shower scene within subsequent slasher and splatter films American soldiers returning from

World War II were called psychos if they exhibited mental illness Robert Bloch and Alfred Hitchcock turned the term into a catch all phrase for a range of psychotic and psychopathic symptoms or dispositions They transferred a war disorder to the American heartland Drawing on his experience with German film Hitchcock packed inside his shower stall the essence of schauer the German cognate meaning horror Later serial horror film production has post traumatically flashed back to Hitchcock s shower scene In the end though this book argues the effect is therapeutically finite This extensive case study summons the genealogical readings of philosopher and psychoanalyst Laurence Rickels The book opens not with another reading of Hitchcock s 1960 film but with an evaluation of various updates to vampirism over the years It concludes with a close look at the rise of demonic and infernal tendencies in horror movies since the 1990s and the problem of the psycho as our most uncanny double in close quarters

Beast-People Onscreen and in Your Brain Mark Pizzato, 2016-02-22 A new take on our bio cultural evolution explores how the inner theatre of the brain and its animal human stages are reflected in and shaped by the mirror of cinema Vampire werewolf and ape planet films are perennial favorites perhaps because they speak to something primal in human nature This intriguing volume examines such films in light of the latest developments in neuroscience revealing ways in which animal human monster movies reflect and affect what we naturally imagine in our minds Examining specific films as well as early cave images the book discusses how certain creatures on rock walls and movie screens express animal to human evolution and the structures of our brains The book presents a new model of the human brain with its theatrical cinematic and animal elements It also develops a theory of rasa catharsis as the clarifying of emotions within and between spectators of the stage or screen drawing on Eastern and Western aesthetics as well as current neuroscience It focuses on the inner movie theater of memories dreams and reality representations involving developmental stages as well as the hall of mirrors ape egos and body swapping identifications between human beings Finally the book shows how ironic twists onscreen especially of contradictory emotions might evoke a reappraisal of feelings helping spectators to be more attentive to their own impulses Through this interdisciplinary study scholars artists and general readers will find a fresh way to understand the potential for interactive mindfulness and yet cathartic backfire between human brains in cinema in theater and in daily life
