Oscar Buzz and the Influence of Word of Mouth on Movie Success Owen Eagan, 2020-03-27 This book explores why word of mouth is the most important determinant of a movie's success. Beginning with a discussion of the enduring appeal of movies and why the box office has survived the disruption of television and will likely survive the disruption of streaming services, Owen Eagan goes on to discuss the unpredictable nature of movies and ways to mitigate their risk. His astute analysis sheds light on the role of film festivals, film critics, Oscar campaigns, and word of mouth in influencing a film's success. Eagan concludes with a summary of why word of mouth is the most influential among all the variables that affect a film's outcome. Expertly synthesizing quantitative analyses of box office data with illuminating insights from industry experts, this concise and engaging book presents findings with important implications for scholars, industry insiders, and marketing professionals alike.

Eight Nikita Slater, 2025-12-26 A Hell's Jury MC romance novel by USA Today Bestselling Author Nikita Slater. Selkie I'm a hot mess. Mouthy, screwed up, dragging around enough baggage to fill a semi. When Eight and I are forced together because of our kids, fireworks erupt and not the good kind. He's infuriating, old school and impossible to read. He barely talks, grunts more than he speaks, and looks at me like I'm the biggest pain in his ass. Then he grips my hand, laces his fingers through mine, and growls, You're mine. Selkie, You're not walkin' away from me. You're unapologetic, nothing but the real deal. You drive me bat shit crazy. Which is why I can't be without you. And just like that, the line between love and hate blurs until I can't tell where the fight ends and the fire begins. Eight. She's chaos wrapped in denim, a bounty hunter with more attitude than sense. She's everything I'm not. She's a hurricane, I'm a rock. She barrels over people, I pull the trigger and stop them dead in their tracks. She never shuts up. I've got nothing to say. She makes me crazy. I make her crazy. And I want her, despite it all. Like a storm, I never saw coming, she somehow becomes my safe harbour. She makes me want to believe again. In second chances, in love, in something worth fighting for. When a bounty gone wrong puts our kids in the crosshairs of some very bad people, we have no choice but to work together. Two broken souls. One last shot at redemption. And a love that refuses to die. Eight is the sixth book in the Hell's Jury MC series. Each book in the series is completely standalone and can be read in any order. Eight is a dark romance with scenes of sexuality and violence. Please read with caution. Hell's Jury MC Series Information: Rocky Meeting. Jess was a lightning bolt moment for me and, despite her connections with the enemy, my love for her trumps everything and everyone in my life, including my MC, Coyote. Bryce is a fearless thief who harbours a painful and explosive secret. When the past threatens our love and endangers our lives, I'll move heaven and hell to protect what's mine. Trigger. It was lust at first sight from the moment I met Evanee. She's too posh, too confident, too complex and, I'm too crass, too wild, too dangerous. Turns out, love conquers all and when she ends up in the

cross hairs of our enemy I ll burn the world to keep her safe Reaper I don t like complications and Ximina is the biggest complication I ve ever met Her demand for protection draws me into a deadly conspiracy that pushes me to choose between my MC and my love for her Red My life is spiralling out of control when Stella storms into it Despite the crazy her love is the only thing I can count on when death and betrayal tear my world apart When Stella is threatened allies and enemies find out how dangerous it is to cross me Eight It s a family affair that starts and ends on a nightmare when Selkie and I are forced together for the sake of our kids As we battle our demons and find our way to each other outside forces conspire to destroy our fragile love Joker Kate is the love of my life and my biggest regret When old ghosts and new enemies conspire to separate us I ll forge a path of destruction to hang on to the only woman I ve ever loved Hangman We re on opposite sides of the law but resisting Del is a losing game A brutal twist of fate binds us together as we struggle for our very survival While our love heals us my vengeance will know no bounds My enemies will beg to die after I m through with them *Ham Radio* ,1978
