I understand that many people use their cell phones for job-related activities. I also understand how busy people want to check in with their families for food or groceries. However, safety on the roads must take first priority. Our society is in such a rush, and believes that it is normal to use a phone while driving. Well, I remember being trained in driver's education, and I don't remember the instructor telling me to take out my cell phone and dial away. I do remember that
