Denied: The Dark Truth About American Healthcare Allen Dekeyser, 2025-08-01 Denied The Dark Truth About American Healthcare is a raw emotional and unfiltered exposé that unveils how one of the wealthiest nations on earth consistently fails the people who need care the most. From denied cancer treatments to unaffordable life-saving medications from mental health abandonment to the silencing of doctors, this book holds nothing back. Allen DeKeyser, survivor and advocate, delivers a powerful chapter-by-chapter journey through the corrupt profit-first machine that is American healthcare. With real stories, brutal truths, and an unwavering call to action, Denied speaks for the millions left behind, buried in bills or gone too soon. This book is not just a warning; it's a weapon. And it belongs in the hands of anyone who still believes healthcare is a human right.

Flying Magazine, 1969-12 **U.S. News & World Report**, 1990 **American Boy**, 1916 The Who's Next Club
Donald W. Ayer, 2012-03-19 On September 25, 2003, our daughter Julie Ayer Rubenzer walked into the Cosmetic Surgery Center in Sarasota, Florida. She did not walk out. This diary records the outrageous events that occurred from that first phone call to 2011. The ruling on Julie's death certificate says author Donald W. Ayer, The Who's Next Club: A Cosmetic Surgery Disaster, records the painful aftermath of a surgery gone wrong. This insightful true story was written in the hope of making a difference by reducing the cosmetic surgery death rate and exposing the disparity in justice when the people seeking justice are not rich or famous, as in the Michael Jackson case. After three months of suffering, Ayer's daughter was laid to rest on December 29, 2003. On the advice of their attorney, Ayer and his wife began this journal after their daughter entered the hospital, but they put it to rest for two months until February 2004 when they learned what actually happened in that surgery room. In 2005, Florida conducted a licensing hearing in Sarasota. They attended, heard the sworn testimony, and at that point had a legal record of what happened in the surgery. But the Ayers did not receive justice or closure. American Home, 1970-07 **Pledge of Allegiance** Timarie, 2020-10-15 April 15, 2013 Patriots Day. The city of Boston and all of the nation was rocked by a terrorist attack at the historical Boston Marathon finish line. Among the lives affected by the tragedy are Michael Farino and Ireland Murphy. Neither could have predicted that the act of saving Ireland's life would lead Michael on a journey of self-discovery while a decades-old war between their rival Boston crime families threatens their happiness and lives. While pursuing their seemingly forbidden love, they realize a profound, shared secret connection between the two that began before their births. Michael and Ireland will have to either pledge their allegiances to either their families or each other. Intense passion, secrets, betrayal, a complicated past, and a life-altering love affair are working against Michael and Ireland. The finish line is just their beginning. **A Time to Love** Helen M.
