Words Are Something Else David Albahari, 1996-08-12 Twenty seven stories by a Serbian writer many dealing with the destruction of the European Jewish culture in World War II Others are surrealistic such as Plastic Combs whose protagonists are able to talk with inanimate matter **The Heart Stealer** Katy Archer, He s a hockey star with no strings attached and a life any other college student would be jealous of but when he meets a girl with big green eyes and tears on her face he s a goner When I open the door to our hockey frat house late one night and find a distraught woman shivering on the doorstep every protective instinct inside me rises to the challenge I ll do anything to help her and wipe that terrified look off her face

It doesn't matter that I've never seen her before and I don't know anything about her or even what happened. That's the kind of guy I am. I'm the protector, the defenseman, the one who makes sure everyone is all right on the ice and off it. But the more time I spend with her, the more I'm intrigued by her quiet smile and her unflinching grit. She's got more backbone and quicker defense reflexes than most hockey goalies I know. She's also keeping the truth locked down so tight I still don't know exactly what happened to her that night, but the way she flinches at loud noises and the fear that flashes through her eyes tells me enough. Someone hurt her. And for some reason, the thought of that is more than I can handle. I'm determined to find out who did this to her and then I'm going to make sure they'll never be able to hurt her again. I've never felt like this before about a girl. I want to protect her, to keep her safe. But I also want to make her mine. **The Heart Stealer** is a stand-alone slow burn NA hockey romance with no cheating and a guaranteed happy ending. Perfect for fans of *Off Campus* by Elle Kennedy, *Nerd* by Cambria Hebert, and *Maple Hills* by Hannah Grace Trigger. **Warning: Domestic violence.** **Woman's Day**, 1940

Through hundreds of detailed step-by-step photographs, you'll learn how to roll, cut out, and create 100 different cookie designs, as well as become familiar with the necessary steps to make perfect smooth crusting buttercream. In addition to basic dairy-free and gluten-free cookie recipes, you'll get easy ideas for transforming your buttercream in flavor and design. **The Enforcer** Avery Keelan, 2024-12-02 I spent two years convincing myself what we had wasn't real and the moment our eyes lock from across the room all those lies I've been telling myself shatter at my feet Hockey superstar Nash Richards was my first everything my first boyfriend my first time and my first love I used to attend every Lakeside U hockey game proudly wearing his jersey while I cheered him on from the stands Then he cross checked my heart into the boards and I vowed never to set foot in that arena again Now life just slap shot me in the face a senior internship with Nash's team and guess who I'm assigned to I have to work one on one with Nash for an entire semester Talk about a worst case scenario I know better than to fall for his charms a second time especially with the department's no dating rule between trainers and their athletes But that's easier said than done when our old spark is now a raging inferno and he's hell bent on winning me back As Nash gradually breaks down my walls he reveals a side of himself that's raw and more vulnerable than I've ever seen Lines blur during late nights in the training room alone a moment of weakness turning everything upside down But beneath this newfound closeness he's keeping a dark secret that could tear us apart and in this high stakes game of love we're both risking more than just our hearts The Lakeside University series by TikTok sensation Avery Keelan kicks off with **The Enforcer** a spicy and unputdownable hockey romance At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
