*Scholarship and Loan Program* United States. Congress. House. Committee on Education and Labor. Subcommittee on Special Education, 1958    **Scholarship and Loan Program.85-2** United States. Congress. House Education and Labor, 1958    **Scholarship and Loan Program** United States. Congress. House. Committee on Education and Labor, 1958

**Cost-sharing and Accessibility in Higher Education: A Fairer Deal?** Pedro N. Teixeira, D. Bruce Johnstone, Maria J. Rosa, Hans Vossensteyn, 2006-04-06 The demand and the costs for higher education have risen steeply in recent years. The most common response worldwide has been some form of cost sharing shifting per student costs from governments and taxpayers to parents and students. This timely book provides a comprehensive discussion of the concepts and consequences of cost sharing in higher education. It offers a comparative approach based on several national case studies and proposes alternatives to prevalent approaches

*Lecture on the Character of Falstaff, Etc. (Shakspeare Scholarship in the University of Melbourne.)*. Tapper, Brian Salter, 1992    **Returns from Universities and University Colleges in Receipt of Treasury Grant** Great

Britain. University Grants Committee, 1925    **Higher Education and Student Mobilities from the Global South** Carola

Bauschke-Urban, Dorina Dedgjoni, 2025-03-06 This interdisciplinary collection explores student mobilities from the Global South focusing on how class, ethnicity, and gender influence decisions, experiences, and outcomes in studying abroad. Featuring post-colonial perspectives from Brazil, Indonesia, Ghana, and India, the collection highlights the unique challenges and opportunities faced by these students. It includes personal narratives that add a qualitative dimension illustrating the individual agency and resilience of international students. The role of educational institutions and policies in shaping mobility is also addressed, including a discussion of how universities and governments create opportunities or barriers. Overall, this collection provides valuable insights into the interplay of class, ethnicity, and gender in shaping educational trajectories from the Global South. By centering student perspectives, it examines national, transnational, and institutional factors that either promote or inhibit mobility. It will be of interest to students, lecturers, researchers, ministries, and NGOs working on higher education research and migration studies

**Democratic Governance** James G. March, Johan P. Olsen, 1995 Going beyond democratic theory, March and Olsen draw on social science to examine how political institutions create and sustain democratic solidarity. Identities, capabilities, accounts, and adaptiveness are how they can maintain and elaborate democratic values and beliefs, and how governance might be made honorable, just, and effective. They show how democratic governance is both preactive and reactive, creating interests and power as well as responding to them, and how it shapes not only an understanding of the past and an ability to learn from it, but even history itself. By exploring how governance transcends the creation of coalitions that reflect existing preferences, resources, rights, and rules, the authors reveal how it includes the actual

formation of these defining principles of social and political life     *Return "of Copies of Certain Objections and Suggestions Received ... from Public Bodies and Others, Relative to the Central Scheme ... in Pursuance of "The City of London Parochial Charities Act, 1883" for the Regulation of the Charities Comprised in ... that Act ...
