Venmo Deal:

Cybersecurity Ishaani Priyadarshini, Chase Cotton, 2022-03-09 This book is the first of its kind to introduce the integration of ethics laws risks and policies in cyberspace. The book provides understanding of the ethical and legal aspects of cyberspace along with the risks involved. It also addresses current and proposed cyber policies serving as a summary of the state of the art cyber laws in the United States. It also importantly incorporates various risk management and security strategies from a number of organizations. Using easy to understand language and incorporating case studies the authors begin with the consideration of ethics and law in cybersecurity and then go on to take into account risks and security policies. The section on risk covers identification analysis assessment management and remediation. The very important topic of cyber insurance is covered as well its benefits types coverage etc. The section on cybersecurity policy acquaints readers with the role of policies in cybersecurity and how they are being implemented by means of frameworks. The authors provide a policy overview followed by discussions of several popular cybersecurity frameworks such as NIST COBIT PCI DSS ISO series etc.

Applied Marketing Daniel Padgett, Andrew Loos, 2023-10-03 Applied Marketing 3rd Edition is a comprehensive yet concise modern marketing course that blends solid academic theory with practitioner experience to help students master the core concepts develop a practical understanding of how to apply marketing principles and gain perspective on how top marketers operate in today s business world. Co authors Dan Padgett an academic and Andrew Loos a practitioner blend solid academic theory and agency owner experience to offer students an insider s view of marketing by bridging the gap between marketing principles taught in the classroom and those same principles as applied by business professionals. Taking a student centric approach by using digital assets to teach students as well as having students use digital resources for learning encourages students to develop their critical thinking skills by applying core concepts to real world scenarios.
