**Every Screen on the Planet** Emily Baker-White,2025-09-30 The story of the most effective attention algorithm ever invented and the superpower struggle to control it Every Screen on the Planet is the first major book on one of the most dramatic business stories of our time Touching on politics finance data and technology the struggle over TikTok has enormous implications for our information landscape and the technological cold war between the United States and China Emily Baker White s engrossing narrative charts TikTok s rise from obscurity into the world s most valuable startup led by its ambitious founder Zhang Yiming arguably the father of the modern recommendation algorithm Zhang s products reshaped the global internet from a place where you searched for information to one where information came to you TikTok seemed to know its users in an almost spooky way provoking wonder and delight People were hooked We intend to become ubiquitous a new hire training video said to put TikTok on every screen on the planet But virtually everything about TikTok s users their interests locations and even their unspoken desires was accessible to staff in Beijing After Baker White a Harvard trained lawyer and investigative reporter revealed that Chinese engineers could access Americans private information a team of employees used the app to track her location and attempt to expose whistleblowers This incident triggered an ongoing criminal investigation and escalated the US government s fight against Chinese tech TikTok was the first Chinese app to become a US juggernaut and lawmakers soon recognized its potential for surveillance and propaganda and the threat it might pose in the hands of their rivals Yet even as hawks in Congress gained support to ban the app the White House was secretly negotiating for unprecedented control over its information stream In 2025 when President Donald Trump declined to enforce the so called ban law TikTok seemed to complete a miraculous corporate escape It retained its influence profits and power but now operated at the pleasure of two strongmen China s Xi Jinping and Trump himself

**Social Media in Musical Theatre** Trevor Boffone,2023-11-16 This book introduces readers to the widespread phenomenon of how social media platforms such as YouTube Twitter and TikTok become an extension of long standing

aspects of musical theatre engagement Although casual observers may dismiss social media's impact social media has revolutionized the field of musical theatre since the early days of Web 2.0 with spaces such as AOL LiveJournal and Myspace Now as social media continues to grow in relevance the nuanced ways in which digital platforms influence musical culture remain ripe for study Social Media in Musical Theatre moves beyond viewing social media merely as a passing fad or a space free from critical engagement Rather this volume takes a serious look at the critical role social media play in musicals thus challenging how social media users and musical theatre makers alike approach digital spaces This book introduces the relationship between musical theatre and social media in the 21st century as well as methods to study social media's influence on musicals through three in depth case studies organized around marketing on YouTube fan engagement on Twitter and new musical development on TikTok

**The Business of Aspiration** Ana Andjelic, 2020-10-26 The Business of Aspiration is about how consumers shifting status symbols affect business and brand strategy These changing status symbols like taste aesthetic innovation curation or environmentalism create the modern aspirational economy In the traditional economy consumers signaled their status through collecting commodities Instagram followers airline miles and busy back to back schedules By contrast in the aspirational economy consumers increasingly convey status through collecting knowledge taste micro communities and influence This new capital changes the way businesses and entire markets operate and yet the modern aspirational economy is still an under explored area in business and culture The Business of Aspiration changes that In this book marketers will find examples analyses and tools on how brands can successfully grow in the modern aspirational economy The Business of Aspiration answers questions like what is good for my brand long term how is this business decision going to impact our culture or what are the main objectives of our growth Marketers will learn to shift their brand narrative and competitive strategy to create and distribute new brand symbols and to ensure that their brand's products and services create both monetary and social value
