Earning Money through Online Advertising Dr.

Hidaia Mahmood Alassouli,2020-08-31 Affiliate marketing is the process of earning a commission by promoting other people's or company's products. You find a product you like, promote it to others and earn a piece of the profit for each sale that you make. Online advertising, also known as online marketing, Internet advertising, digital advertising or web advertising, is a form of marketing and advertising which uses the Internet to deliver promotional marketing messages to consumers. Many consumers find online advertising disruptive and have increasingly turned to ad blocking for a variety of reasons. When software is used to do the purchasing, it is known as programmatic advertising. Online advertising includes email marketing, search engine marketing, SEM, social media marketing, many types of display advertising, including web banner advertising and mobile advertising. Like other advertising media, online advertising frequently involves a publisher who integrates advertisements into its online content and an advertiser who provides the advertisements to be displayed on the publisher's content. Other potential participants include advertising agencies who help generate and place the ad copy, an ad server which technologically delivers the ad and tracks statistics and advertising affiliates who do independent promotional work for the advertiser. Common ways to make money with advertising:

- 1. Pay per click advertising
- 2. Sell your own advertising on your blog
- 3. Sell text links on your blog
- 4. CPM ad networks
- 5. Pop ups
- 6. Paid reviews
