**Science of Fasting for Healthy Body and Mind** Ram Babu Sao, 2025-05-31 Fasting has been used for the body to get rid of waste buildup and also for religious and spiritual purification for centuries This book Science of Fasting for Healthy Body and Mind is very fascinating and an exasperating with its simplicity and its vastness Nearly every religious text from the Old and New Testaments of the Upanishads as well as Bible to the Quran calls upon followers to fast periodically as a rite of spiritual purification penitence or preparation for union with God Fasting advocates and claims that the practice can effectively treat serious health conditions like diabetes constipation arthritis and colitis to heart disease and depression In his practice he has seen fasting combined with improving the diet before and afterwards which eliminates lupus arthritis and chronic skin conditions like psoriasis and eczema He says he has also seen fasting heal the digestive tracts of those with ulcerative colitis and Crohn's disease and lower blood pressure Fasting followed by a vegetarian diet interferes with the immune system's activities especially if the immune system is overreacting as it does with and other autoimmune diseases He cites half a dozen studies published in medical journals ranging from the American Journal of Physiology Endocrinology and Metabolism to the Scandinavian Journal of Rheumatology Studies published in The Proceedings of the National Academy of Sciences and The Journal of Nutrition in 2003 showed that human beings forced to fast every other day while eating twice the normal amount of food on non fasting days had better insulin control neuronal resistance to injury and other health indicators than people fed calorie restricted diets Fasting may yield psychological benefits as well

*The Lifestyle Diet* Faisal Alshawwa, 2023-09-29 How many diets have you followed in your life Is dieting the path to weight loss Do diets really work Today we have many trendy diets Keto Plant based Paleo Detox and Intermittent Fasting to name a few These popular diets have some merit but they do not qualify as lifestyle choices or weight loss solutions They are unenjoyable restrictive and unsustainable We live in a world of abundance and an information overload leaving us feeling more confused than ever before regarding how we should eat for weight loss What's more The diet culture and unqualified individuals have begun exploiting social media by offering quick fixes and unscientific advice further adding to your frustration and confusion The truth is there is no quick fix to this long term problem And no matter how much you may exercise you can't outrun a bad diet The Lifestyle Diet will show you that it is possible to eat everything you enjoy live your life and still lose weight You can do this without suffering the physical mental and emotional consequences associated with dieting Considering the scientific research on today's most popular diets Alshawwa will offer evidence based advice and prove to you why diets do not work for weight loss in a clinically healthy population The Lifestyle Diet will put you on the path to effective lifestyle interventions to be healthier and lose weight without ever having to diet AGAIN
