,1996 **Exploring Cultural Conceptions of the Transitions to Adulthood** Nancy L. Galambos,Jeffrey Jensen Arnett,2003-06-27 The transition to adulthood has been studied for decades in terms of transition events such as leaving home finishing education and entering marriage and parenthood but only recently have studies examined the conceptions of young people themselves on what it means to become an adult The goal of this volume is to extend the study of conceptions

of adulthood to a wider range of cultures The chapters in this volume examine conceptions of adulthood among Israelis Argentines American Mormons Germans Canadians and three American ethnic minority groups There is a widespread emphasis across cultures on individualistic criteria for adulthood but each culture has been found to emphasize culturally distinctive criteria as well This volume represents a beginning in research on cultural conceptions of the transition to adulthood and points the way to a broad range of opportunities for future investigation This is the 100th issue of the quarterly report *New Directions for Child and Adolescent Development*

Planning and Achieving Successful Student

Affairs Facilities Projects Jerry Price, 2003-04-02 Here's a breakthrough sourcebook that not only argues that student affairs professionals need to assume leadership roles in campus facilities issues but also provides step by step guidelines in building a successful facility project from the first brainstorming session to the final coat of paint Editor Jerry Price dean of students at Drake University and contributors from all walks of the student affairs profession demonstrate that student affairs professionals are in a unique position of understanding the role of the campus in environment in students lives Chapters explore balancing multiple needs through innovative facility design options for financing residence hall renovation and construction and the relationship between housing programs and facilities and the institution's education mission Applicable information on assembling the project team the role of communication and ten key lessons for facilities planning renovation and building are also presented Lessons learned in the field are explored as well The UConn 2000 Initiative Case Study tells the story of one institution's success in developing and implementing a public policy initiative that would lead to billions of dollars in renewed investment in the university's core infrastructure Student affairs professionals live with students see how they interact with one another hear why they picked this particular school and listen to the reasons they are succeeding or failing Their education and experience lie in understanding how residence halls student unions dining services recreation and wellness centers and campus grounds each affect students experience in different ways This book demonstrates conclusively that the valuable expertise of student affairs professionals is therefore critical to ensuring that campus facilities projects ultimately achieve their intended goals

Enhancing Community Colleges Through

Professional Development Gordon E. Watts, 2002 Community college professional development programs can be dynamic forces in helping community colleges address significant issues create solutions for change and create opportunities for renewal This issue examines the challenges and rewards of creating an effective professional development program Editor Gordon E Watts professor of higher education at the University of Arkansas at Little Rock brings together the research and findings of scholars in the fields of higher education and economics as well as the perspectives of professionals in staff and organizational development at community colleges and community based organizations Beginning with an overview of the ongoing need for professional development in the community college its current status its struggles to become institutionalized as a function in the community college the issue offers a much needed perspective on professional

development's expanding role and that challenges that it continues to face Chapter authors illustrate how their institutions have addressed issues through professional development created institutional change developed new delivery systems for professional development reached beyond development just for faculty and found new uses for traditional development activities Faculty development programs examined include orientation programs for new faculty members and programs that address the specific needs of part time faculty An analysis of an innovative online faculty development delivery system for both new and part time faculty is presented along with positive outcomes of the program's implementation at two separate institutions Another chapter explores the emergence of teaching and learning centers as catalysts for effective faculty development and institutional change Addressing campus development needs beyond faculty other chapters examine staff development programs that include administration and classified staff as well as comprehensive programs that address professional development across the campus The highly successful great teacher model for faculty development is revisited with descriptions of how the Great Teachers Seminars model can be taken a step further and successfully applied to classified administration and organizational development initiatives As senior staff and faculty move toward retirement in greater numbers potential shortages in leadership create the need for effective professional development at leadership levels Evolution of the Presidents Academy an innovative professional development program for newly appointed presidents is examined in detail Also explored is the need and importance of a renewed focus on leadership development overall and how leadership development strategies can be strengthened to ensure a continuous supply of well trained community college leaders
