eCommerce 360: Start your Online Business, Create your eCommerce and Sell on Marketplaces Julian Delphiki, 2020-04-19

eCommerce 360 Start Your Online Business Create Your eCommerce and Sell on Marketplaces is a comprehensive guidebook that equips aspiring entrepreneurs and business owners with the essential knowledge and strategies to establish a successful online business. Create their own eCommerce platform and effectively sell products on various marketplaces. The book also provides valuable insights into the Chinese market and the key considerations for selling in China. The book begins by emphasizing the fundamental steps required to start an online business. Readers are introduced to the various aspects of eCommerce including choosing the right products, conducting market research, building a solid brand identity, and understanding the target audience. Through practical advice and examples, readers gain a clear understanding of the essentials necessary to lay a strong foundation for their online business. The authors then delve into the intricacies of creating an eCommerce platform. From setting up a user friendly website to optimizing the customer experience and implementing secure payment gateways, the book guides readers through the technical and operational aspects of establishing an effective online store. Emphasis is placed on creating an intuitive navigation structure, optimizing product listings, and utilizing persuasive copywriting to maximize sales. Furthermore, the book explores the potential of selling products on various marketplaces. It provides a comprehensive overview of popular online marketplaces such as Amazon, eBay, and Alibaba, detailing the benefits and challenges associated with each platform. Readers learn how to navigate the marketplace landscape, optimize product listings, and leverage the unique features of each platform to expand their reach and drive sales. A significant aspect of this book is its focus on selling in the Chinese market. Recognizing the enormous potential of the Chinese eCommerce landscape, the authors provide valuable insights and strategies specifically tailored to this market. Readers gain an understanding of the major Chinese marketplaces such as Tmall and JD.com, and learn how to navigate the complexities of cross border eCommerce including regulatory requirements, logistics, and cultural considerations. The book offers practical guidance on adapting marketing strategies, tailoring products to the Chinese market, and effectively reaching Chinese consumers. Throughout *eCommerce 360*, the authors emphasize the importance of effective marketing and sales strategies. From leveraging search engine optimization (SEO) and social media marketing to utilizing influencer collaborations and customer reviews, readers gain insights into the various channels and tactics available to drive traffic and boost sales for their online business. *eCommerce 360 Start Your Online Business Create Your eCommerce and Sell on Marketplaces* serves as a comprehensive guide for individuals seeking to venture into the world of eCommerce. By combining practical advice on starting an online business, creating an eCommerce platform, and selling on marketplaces with insights into the Chinese market, this book equips entrepreneurs with the knowledge and strategies necessary to establish a thriving online business, reach a global audience, and capitalize on the opportunities of the ever expanding eCommerce industry.

Give and Take Nitsan Chorev, 2019-12-10 Give and Take looks at local drug manufacturing in Kenya Tanzania and Uganda from the early 1980s to the present to understand the impact of foreign aid on industrial development While foreign aid has been attacked by critics as wasteful counterproductive or exploitative Nitsan Chorev makes a clear case for the effectiveness of what she terms developmental foreign aid Against the backdrop of Africa's pursuit of economic self sufficiency the battle against AIDS and malaria and bitter negotiations over affordable drugs Chorev offers an important corrective to popular views on foreign aid and development She shows that when foreign aid has provided markets monitoring and mentoring it has supported the emergence and upgrading of local production In instances where donors were willing to procure local drugs they created new markets that gave local entrepreneurs an incentive to produce new types of drugs In turn when donors enforced exacting standards as a condition to access those markets they gave these producers an incentive to improve quality standards And where technical know how was not readily available and donors provided

mentoring local producers received the guidance necessary for improving production processes Without losing sight of domestic political economic conditions historical legacies and foreign aid s own internal contradictions Give and Take presents groundbreaking insights into the conditions under which foreign aid can be effective
