Cost & Management Accounting: Tools for Planning and Control Prof. (Dr.) Savita Mohan, Prof. Moumita Mishra, Prof. Saumya Srivastava, 2025-04-17 **Productive Tensions** Christopher B. Bingham, Rory M. McDonald, 2023-11-07 How leaders can recast innovation's toughest trade-offs: efficiency vs flexibility, consistency vs change, product vs purpose as productive tensions. Why is leading innovation in today's dynamic business environment so distressingly hit or miss? More than 90 percent of high potential ventures don't reach their projected targets. Surveys show that 80 percent of executives consider innovation crucial to their growth strategy but only 6 percent are satisfied with their innovation performance. Should leaders aim for Steve Jobs-level genius, shower their projects with resources, or lean in to luck and embrace uncertainty? None of the above, say Christopher Bingham and Rory McDonald. Drawing on cutting-edge research and probing interviews with hundreds of leaders across three continents, in *Productive Tensions*, Bingham and McDonald find that the most effective leaders and successful innovators embrace the tensions that arise from competing aims: efficiency or flexibility, consistency or change, product or purpose. Bingham and McDonald spotlight eight critical tensions that every innovator must master and they spell out with dozens of detailed examples of both success and failure: how to navigate them. How do you excite customers about a product they've never imagined? When is it wise to accept what the data is telling you and when should you ignore the data and plow forward anyway? How can you maintain stakeholders' trust and support during radical, unforeseen course corrections? Bingham and McDonald guide readers through innovation's thorniest tensions using examples drawn from the experience of organizations as varied as P&G, Instagram, the US military, Honda, In-N-Out Burger, Slack, Under Armour, and the snowboarding company Burton. *THE INDIAN LISTENER* All India Radio (AIR), New Delhi, 1951-11-11 The Indian Listener fortnightly programme/journal of AIR in English published by The Indian State Broadcasting Service Bombay started on 22 December 1935 and was the successor to the Indian Radio Times in English which was published beginning in July 16 of 1927. From 22 August 1937 onwards it was published by All India Radio New Delhi. From July 3 1949 it was turned into a weekly journal. Later The Indian Listener became Akashvani in January 5 1958. It was made a fortnightly again on July 1 1983. It used to serve the listener as a Bradshaw of broadcasting and give listener the useful information in an interesting manner about programmes who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation.
