*The Playful Politics of Memes* Mette Mortensen, Christina Neumayer, 2023-05-22 Memes work as rhetorical weapons and discursive arguments in political conflicts Across digital platforms they confirm contest and challenge political power and hierarchies They simultaneously create social distortion hostility and a sense of community Memes thus not only reflect norms but also work as a tool for negotiating them At the same time memes meld symbolic and cultural elements with technological functionalities allowing for replicability and remixing This book studies how memes disrupt and reimagine politics in humorous ways Memes create a playful activity that follows a shared set of rules and gives a shared voice which may generate togetherness and political identities but also increase polarization As their template travels memes continue to appropriate new political contexts and to re negotiate frontiers in the political The chapters in this book allow us to chart the playful politics of memes and how they establish or push frontiers in various political cultural and platform specific contexts Taken together memes can challenge and regenerate populism carve out spaces for new identity formations and create togetherness in situations of crises They can also however lead to the normalization of racist discourses This book will be of interest to researchers and advanced students of Media and Communication Studies Information Studies Politics Sociology and Cultural Studies It was originally published as a special issue of the journal Information Communication Society

Online Virality Valérie Schafer, Fred Pailler, 2024-08-19 The book *Online Virality* edited by Val rie Schafer and Fred Pailler C2DH University of Luxembourg aims to provide a comprehensive examination of online virality It explores the many ways we can think about this modern phenomenon and analyse the circulation reception and evolution of viral born digital content Virality and content sharing always intertwine material infrastructural visual and discursive elements This involves various platforms stakeholders intermediaries social groups and communities that are constantly re defining themselves Regulation curation and content moderation politics as well as affects and emotions fears humour empathy hatred are also at the core of online virality The publication offers an interdisciplinary overview on online virality by including different types of scientific inputs such as precise case studies various methodological approaches including close and distant reading visual studies discourse analysis etc as well as historical and socio technical analyses The book is organised around three main topics Expressions and Genres Mobilisations and Engagements Circulation and Infrastructures The first part explores the semiotics of virality the diverse and creative forms of expression specific genres the relation to other media and the affective side of virality such as using humour or provocation The second part focuses on the political dimension of memes and viral content and their use in the context of controversy or political and ideological opposition Finally the third part delves into the often understudied but essential side of virality by examining the role of platforms and their curation in short the infrastructural dimension of virality These three parts allow us to question such fundamental notions linked to virality as among others circulation reception economy of attention instrumentalisation and affect This volume brings together authors from various

disciplines including semiotics history information and communication sciences computer science digital humanities media studies In addition the contributors approach the question via case studies that allow for a perspective that is not exclusively US and European centred Some chapters explore virality in Brazil Chile while the book also examines a wide variety of platforms YouTube Twitter Instagram TikTok video game platforms etc

**The Pragmatics of Internet Memes** Chaogun Xie, 2022-05-15 What is a meme What is in a meme What does living in with memes actually mean What do memes mean to human beings dwelling in a life world at once connected and fragmented by the internet and social media Answers to and ways of answering these and other meme questions that arise in social events represent human assistance in or resistance to meaning making A pragmatic perspective on internet memes as a way of seeing in social life experience offers a unique window on how meme matters in mediated inter actions turn out to be inextricably intertwined with human beings presencing and essencing in the life world Ultimately this volume seeks to reveal what and how serious if not unsayable concerns can be concealed behind the seemingly humorous carefree and colorful carnival of internet memes across cultures contexts genres and modalities This book will be of some value to anyone keen on the dynamics of memes and internet pragmatics and on critical insights that can be garnered in kaleidoscopic multimodal communication Originally published as special issue of Internet Pragmatics 3 2 2020

Film Authorship in Contemporary Transmedia Culture Wikanda Promkhuntong, 2025-10-01 Film Authorship in Contemporary Transmedia Culture The Paratextual Lives of Asian Auteurs examines film authorship in the transmedia era whereby film directors have become public figures through a wide range of textual material and performative practices The book draws on the notion of paratext and its related term palimpsest to bring forth the idea of self reflexive authorship as a method of examining the mediated past present and afterlife of East Asian filmmakers The first part of the book pays attention to materials surrounding film festivals multi platform distribution and cinephile fan creative practices which have been created rewritten and shared to foster and problematize the reputations of selected filmmakers The second part examines alternative modes of self projections and creative productions that address the filmmakers sense of selves and relations with the industry and the public Across different chapters discourses surrounding film authorship and East Asian cinema are revisited and expanded to highlight its multiple histories and possible futures

**Genes Vs. Memes** Walter A. Koch, 1986 Culture, Nature, Memes Thorsten Botz-Bornstein, 2008 This collection of essays on cognition which involves continental as much as analytical approaches attempts to observe cognitive processes in three areas in culture in nature and in an area that can at least from some point of view be perceived as an oein between of culture and nature memes All authors introduce a certain dynamic input in cognitive theory as they negotiate between the empirical and the conceptual or between epistemology and the study of culture In all chapters culture nature and memes turn out to be dynamic in the sense of being non essentialist their significations and modulating functions always being multi dimensional The chapters shed new light on classical themes of cognitive theory as problems of creation

The Top Books of the Year Memes Today Top The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Memes Today Top : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
