A Cop Doc's Guide to Public Safety Complex Trauma Syndrome Daniel Rudofossi, Dale A Lund, 2017-07-05 Cop Doc's Guide to Public Safety Complex Trauma Syndrome is written in response to the need for an advanced specialized guide for clinicians to operationally define understand and responsibly treat complex post traumatic stress and grief syndromes in the context of the unique varieties of police personality styles The book continues where Rudofossi's first book Working with Traumatized Police Officer Patients left off Theory is wed to practice and practice to effective interventions with police officer patients The how and why of a clinician's approach is made highly effective by understanding the distinct personality styles of officer patients Rudofossi's theoretical approach segues into difficult examples that highlight each officer patient's ecological field experience of loss in trauma with a focus on enhancing resilience and motivation to otherwise left disenfranchised Thus this original work expands the ecological ethological existential analysis of complex PTSD into the context of personality styles with an emphasis on resilience without ignoring the pathological aspects of loss that often envelop officer patient trauma syndromes **Document Retrieval Index** ,1976 **FBI Law Enforcement Bulletin** ,1969
