## **Nice Exiled Earthborn Trilogy :**

**The Exiled Earthborn** Paul Tassi,2020-10-22 In this thrilling second book of the Earthborn trilogy Lucas and Asha have survived the decimation of Earth at the hands of the invading Xalans and seek safe haven with their enemy's true foes the Sorans. They find a lush planet inhabited by a civilization far more advanced than their own waging a seemingly endless war against a constantly evolving enemy. The Sorans call the pair of them the Earthborn and they're welcomed as heroes almost as gods. To an audience of billions they swear an oath to avenge their fallen planet by aiding the Sorans in their war against Xala. But soon Lucas and Asha find Sora just as dangerous as apocalyptic Earth when they're targeted by the Fourth Order, a rebel collective who decries them as false prophets and harbingers of further bloodshed. Their friend and turncoat Xalan scientist Alpha believes he's located someone who can help them turn the tide of the war for good, stranded on a conquered colony planet. But landing on the new world, Lucas and Asha find themselves hunted by a violent mysterious beast known only as the Desecrator, let loose by the Xalans. Escaping Earth was only the beginning. As Lucas and Asha quickly learn, the universe has worlds and creatures far more dangerous than anything their home planet could have offered, and their continued survival hinges on gaining new allies they never could have imagined.

**The Sons of Sora** Paul Tassi,2020-10-29 Set sixteen years after the events of *The Exiled Earthborn*, this explosive conclusion of the Earthborn trilogy tells the story of two brothers, the sons of Lucas and Asha, tasked with surviving the Xalan war to ensure the continued existence of the human race. Noah, an orphan from Earth's last days who as a child was smuggled to safety across the stars, is now nearly a man and a leader to the young enclave of Earthborn who reside on Sora. When the tranquility of their settlement is shattered by a shocking assassination attempt, Noah turns to his combative younger brother Erik. Lucas and Asha's only child, by blood for aid. Their journey takes them to the remnants of a dead planet, an outlaw-infested space station, and back to Sora, whose inhabitants are bracing for a final showdown with the bloodthirsty Xalans. They find themselves facing a new evil, the omnipotent Archon who is somehow controlling the whole of the Xalan horde and his bloodthirsty lieutenant, the Black Corsair, who has an unmatched taste for brutality. The Archon, so-called God of the Shadows, has unearthed knowledge that could wipe both Sorans and humans alike from the face of existence. The descendants of the Earthborn must uncover the true nature of the Archon and the Xalans before he burns everything they know and love to ashes.

**The Oxford Anthology of Roman Literature** Peter E. Knox, J. C. McKeown, 2013-10-31 Though the wonders of ancient Roman culture continue to attract interest across the disciplines, it is difficult to find a lively accessible collection of the full range of the era's literature in English. The Oxford Anthology of Roman Literature provides a general introduction to the literature of the Roman empire at its zenith, between the second century BC and the second century AD. Two features of this extraordinarily fertile period in literary achievement, as evidenced by this anthology, are immediately and repeatedly clear: how similar the Romans' view of the world was to our own, and perhaps even more obviously, how different it was. Most of the authors included in the

anthology wrote in Latin but as the anthology moves forward in time relevant Greek texts that reflect the cultural diversity of Roman literary life are also included something no other such anthology has done in the past Roman literature was wonderfully creative and diverse and the texts in this volume were chosen from a broad range of genres drama epic philosophy satire lyric poetry love poetry By its very nature an anthology can abbreviate and thus obscure the most attractive features of even a masterpiece so the two editors have not only selected texts that capture the essence of the respective authors but also have included accompanying introductions and afterwords that will guide the reader in pursuing further reading The presentations of the selections are enlivened with illustrations that locate the works within the contexts of the world in which they were written and enjoyed The student and general reader will come away from this learned yet entertaining anthology with a fuller appreciation of the place occupied by literature in the Roman world     The Biblical Museum: a Collection of Notes, Explanatory, Homiletic, and Illustrative, on the Holy Scriptures ...
