Fernandez,2017-05-05 When religious diversity is our reality radical hospitality to people of other faiths is not a luxury but a necessity More than necessary for our survival radical hospitality to religious diversity is necessary if we are to thrive as a global society By no means does the practice of hospitality in a multifaith world require that we be oblivious of our differences On the contrary it demands a respectful embrace of our differences because that's who we are Neither does radical hospitality require that we water down our commitment because faithfulness and openness are not contradictory We must be able to say with burning passion that we are open to the claims of other faiths because we are faithful to our religious heritage The essays in this book do not offer simply theological exhortations they offer specific ways of how we can become religiously competent citizens in a multifaith world Let's take the bold steps of radical openness with this book on our side Personal Narrative of a Year's Journey Through Central and Eastern Arabia (1862-1863) William Gifford Palgrave,1873 *Guide to the Organization of Meetings on UAP* ,1985 Personal Narrative of a Pilgrimage to Al-Madinah & Meccah Sir Richard Francis Burton,1893 Posing as a wandering dervish Burton gained admittance to the holy Kaabah and to the tomb of the prophet at Medina and

Umrah Its a guided tour through a number of very meaningful emotional and religious experiences But its also so much more It is a journey of self discovery as well as the discovery of Islam Its a primer on Islamic practices that will undoubtedly intrigue and captivate both Muslim and Non Muslim audiences through engaging story telling Th e text itself is well written and simple getting straight to the heart of the matter of proper religious observance and practice on what may rightly be called the pilgrimage of a lifetime Th e photographs displayed near the end of the book are astounding and original especially for readers from Non Muslim countries who have in all probability never before seen such sights as the spellbinding pure as snow brightness of Masjid Nabawi at night or the sober splendor of the Prophet s Mosque Interspersed with the practical maps tips and guides that all pilgrims will appreciate are the most beautiful and heartfelt invocations and prayers to Allah the Most Powerful and Compassionate as well as a thrilling narration of Islam s early history and lore Particularly moving and evocative is the beautifully retold beginning of sa ee the struggle as an act of absolute trust in Allah as displayed by a desperate and lonely Hajar Especially touching and profound is the authors recommendation to work hard on understanding the du as recited as a pilgrim instead of simply carrying pamphlets and reciting them in blind fashion without understanding their meaning Such a warning is a necessity as casualness might well impair the sincerity of the appeal which should come straight from the pilgrim s heart In short this book is truly the perfect companion for a deeply spiritual and personal pilgrimage to the heart of Islam      *Management of Hajj Mobility Systems* Adnan Yafi,1993      Thirteenth Annual Computer Security Applications Conference ,1997
