un **Economic Development: The Local Perspective**, **Regional Economic Development** Robert J. Stimson, Roger R. Stough, Brian H. Roberts, 2006-10-12 The completely reedited second edition of this book reflects recent advances and adds insightful new material. The book analyzes regional economic performance and change and discusses how analysis integrates with strategies for local and regional economic development policy and planning. The aim is to provide the reader with an account of quantitative and qualitative approaches to regional economic analysis and of old and new strategic frameworks for formulating regional economic development planning

**Promoting sustainable local economic development**

**initiatives** Marius Venter, 2022 This book endeavours to outline case studies that promote sustainable Local Economic Development LED initiatives. It is generally believed that local governments are the foot soldiers of LED. However this seems to be a myth as local governments in South Africa and elsewhere have not yet fulfilled this mandate and have been struggling for several years to implement LED initiatives. The distinctive merit of this book lies in the way it combines the South African context with the wider international development context in ways that there is a flow of information and ideas both ways. The book is an essential part of this sequence of ideas development and action at a critical time for strategic action directed at a sustainable future. It showcases case studies and responses to the impacts of globalisation as a bridge between urban rural and institutional action and reveals avenues for local government leadership in communities research student engagement and wider interactions

**Planning Local Economic Development** Nancey Green Leigh, 2024-11-06 Author Nancey Green Leigh brings years of academic and professional experience to this classic text which offers a comprehensive look at the basic tenets of local economic development planning.
