## **Pathfinder Advanced Race Guide:**

*Advanced Race Guide* Jason Bulmahn, 2012-07-03 This definitive sourcebook for the Pathfinder Roleplaying Game provides tons of new character options for all seven core player character races from archetypes that allow elf characters to explore their connection to nature and magic to feats and spells that let a dwarf character carry on the legacy of his multi-generational clan or a gnome explore her connection to the First World or delve deep into her weird obsessions. Additionally the Advanced Race Guide offers meaty sections on a dozen spotlight races that make interesting and exciting player character options such as goblins, aasimar, tieflings, dhampyrs, drow, the elemental races from Bestiary 2 and several others and for the first time allows players to create and play characters like merfolk, gripli, duergar, stryx and every other appropriate monster currently in the Pathfinder game. Lastly the Advanced Race Guide includes an extensive section that allows players and GMs to build their own custom races either to emulate more powerful creatures that already exist in the game or to create wholly original characters unique to their campaign. *Ice Kingdoms Campaign Setting* C.S.
