Metzger's work to explore what taste means and how it works tracing the evolution of the adult film industry and the changing frontiers of cultural acceptability *Man of Taste* spans Metzger's entire life his early years in Manhattan's Washington Heights neighborhood his attempt to bring arthouse aesthetics to adult film in the 1960s his turn to pseudonymously directed hardcore movies in the 1970s and his final years which included making videos on homeopathic medicine Metzger's career King argues sheds light on how the distinction between the erotic and the pornographic is drawn and it offers an uncanny reflection of the ways American film culture transformed during these decades Lavishly illustrated with rare photos and publicity images this book paints a vivid picture of a filmmaker who channeled his artistic aspirations into some of the most disreputable movie genres of his day
