## **Napoleons Eagle Prophecy:**

Napoleon's Eagle Prophecy Alfred Lenarciak, 2015-08-07 During the reconstruction of the Ferri family Palazzo Baronale in Santa Caterina dello Ionio Alfredo and his team found the memoirs of Gregorio Ferri from 1800s The notebook detailed Jean Durand viscount de Villers commission by Napoleon III to find Tommaso Campanella's Eagle Prophecy written in 1598 in the Dominican Convent of Santa Caterina Tommaso Campanella 1568-1639 a world acclaimed philosopher and writer from Stilo Calabria He wrote the renown City of the Sun Prophecies for Pope Urban VIII and French King Louis XIV The prophecies were fulfilled and Louis XIV was the longest reigning monarch in human history The Eagle Prophecy was alleged to predict the birth of an Eagle Prince on a Mediterranean Island who would become a God of War surpassing every previous military or political leader in the world to establish an empire that would stand for a millennium Seeing that this prophecy would be a powerful political and religious tool for his campaign Napoleon Bonaparte sent his brother Joseph King of Naples to find it Joseph's expedition was unsuccessful which eventually led to the closure or destruction of almost every monastery in Calabria Tommaso Campanella's prophecies predicted the events from the year 1600 up to 2400 based on his own astrological observation Even today's political and religious powers interpret his prophecies for their own interests and propaganda In order to obtain the original manuscripts of the Campanella's works they will use any kinds of means

**Complete Prophecies of Nostradamus** Nostradamus, N. Halley, 1999 Who was Nostradamus and what faith should we place in his predictions This book gives objective answers It reveals that Michel de Nostredame a 16th century French doctor was more Renaissance man than arcane magician and that his prognostications can be compellingly astute In this edition all of the cryptic short verses of Nostradamus's Centuries appear in the original French with new translations Uncanny prophecies such as those of the French Revolution and the rise of Hitler are examined in detail Here too are interpretations of the many verses believed to augur future events Editor Ned Halley works in fields of journalism as diverse as medicine wine and business He takes a Plain English approach to a subject far too often wreathed in language that seems calculated to obscure rather than to demonstrate the truth *The Great Prophecies Concerning the Gentiles, the Jews, and the Church of God* George Hawkins Pember, 1881 The Wellington and Napoleon Quartet: Young Bloods, The Generals, Fire and Sword, Fields of Death Simon Scarrow, 2015-05-21 Simon Scarrow's four classic novels based on the lives of the Duke of Wellington and Napoleon Bonaparte are published together in one superb value ebook volume not to be missed by readers of Bernard Cornwell Arthur Duke of Wellington and Emperor Napoleon Bonaparte were adversaries on an epic scale Across Europe and beyond the armies of Great Britain and France clashed from the Iberian Peninsula to India from Austerlitz to the final confrontation at Waterloo What drove the two clever ambitious determined men who masterminded these military campaigns How did the underdog from Corsica develop the strategic military skills and the political cunning that gave him power over swathes of Europe And how did Wellington born to be a leader hone his talents and drive an army to victory after victory

From an outstanding historian and novelist come four epic novels now available in one volume for the first time which tell the full story of both these men from their very early days till the momentous battle at Waterloo which decided the future of Europe INCLUDES MAPS      **Memoirs of Napoleon Bonaparte** Louis Antoine Fauvelet de Bourrienne,1885      *An*
