*Naseeruddin Shah* Naseeruddin Shah, 2014 Autobiography of an Indian motion picture actor *And Then One Day* Naseeruddin Shah, 2014 Autobiography of an Indian motion picture actor Focus On: 100 Most Popular Indian Drama Films Wikipedia contributors, The State and New Cinema in Contemporary India Sudha Tiwari, 2023-09-11 This book examines the relationship between the newly independent Indian state and its New Cinema movement. It looks at state formative practices articulating themselves as cultural policy. It presents an institutional history of the Film Finance Corporation (FFC), later the National Film Development Corporation (NFDC), and their patronage of the New Cinema in India from the 1960s to the 1990s, bringing into focus an extraordinary but neglected cultural moment in Indian film history and in the history of contemporary India. The chapters not only document the artistic pursuit of cinema but also the emergence of a larger field where the market, political inclinations of the Indian state, and the more complex determinants of culture intersect. It shows how the New Cinema movement faced external challenges from the industrial lobby and politicians as well as experienced deep rifts from within. It also shows how the Emergency, the Janata Party regime, economic liberalization, and the opening of airwaves all left their impact on the New Cinema. The volume will be of great interest to scholars and researchers of film studies, politics, and public policy, especially cultural policy, media, and culture studies, and South Asian studies. **Great Personalities Of The World** TANVIR KHAN, 2012-11-15 There is a famous saying by the great Irish writer and poet Oscar Wilde that "Some cause happiness wherever they go; others whenever they go."
