Once Burned Night Prince 1:

Twice Tempted Jeaniene Frost, 2013-03-26 Dating the Prince of Darkness has its challenges Leila's psychic abilities have been failing her and now she isn't sure what the future holds If that weren't enough her lover Vlad has been acting distant Though Leila is a mere mortal she's also a modern woman who refuses to accept the cold shoulder treatment forever especially from the darkly handsome vampire who still won't admit that he loves her Like choosing between eternal love and a loveless eternity Soon circumstances send Leila back to the carnival circuit where tragedy strikes And when she finds herself in the crosshairs of a killer who may be closer than she realizes Leila must decide who to trust the fiery vampire who arouses her passions like no other or the tortured knight who longs to be more than a friend With danger stalking her every step of the way all it takes is one wrong move to damn her for eternity *Bound by Flames* Jeaniene Frost, 2015-01-27 The climactic third novel in New York Times bestselling author Jeaniene Frost's Night Prince series finds Vlad and his newly turned bride Leila at odds with each other and vulnerable to the one vampire powerful enough to end the Dark Prince's reign Play with fire pay the price Leila's years on the carnie circuit were certainly an education What she didn't learn how to be a vampire or how to be married to the most famous vampire of them all Adjusting to both has Leila teetering on a knife edge between passion and peril and now the real danger is about to begin Vlad must battle with a centuries old enemy whose reach stretches across continents and whose strength equals his own It isn't like Vlad to feel fear but he does for Leila because his enemy knows she is Vlad's greatest weakness As friend and foe alike align against him and his overprotectiveness drives Leila away Vlad's love for his new bride could be the very thing that dooms them both **A New**
