*Joint Acquisitions List of Africana ,1980*      **Success Dynamics** Raymond Aisabor,2017-02-28 Success cannot be measured simply by the pursuit of wealth position and power without aligning such wealth with God's ordinance and doctrine. It's about making an impact that touches lives and leaving a worthy legacy for the next generation. In Success Dynamics author Raymond Aisabor introduces a holistic approach and a doctrinal variant of what should be the pinnacle of real success. Aisabor provides answers to the questions Is our quest toward success for self aggrandizement vain glorification and oppression of the less fortunate Or it is to glorify God in providing succor to the needy and less privileged. He explores success covenants, habits, conditions and business and spiritual tools to help you be successful in your life which means having a personal intimate relationship with God and learning how to spread that love to others. Success Dynamics teaches that success is not just possessions. Success is about stewardship, general wellness and walking in God's purpose.
