One Crowded Hour Tim Bowden:

One Crowded Hour Tim Bowden, 2002 The bestselling biography of one of the world's greatest cinematographers and an extraordinary Australian. For over twenty years journalist Neil Davis covered the conflicts in South East Asia. Always at the battle front he brought enduring images of the full horror of modern war to the world. Ironically in September 1985 having survived so much war Neil Davis was killed filming an attempted coup in the streets of Bangkok. **One Crowded Hour** Tim Bowden, 2013-08-01 *One Crowded Hour* is the bestselling biography of one of the world's greatest combat cinematographers and an extraordinary Australian. First published in 1987 *One Crowded Hour* remains a must read for aspiring photographers, cinematographers, journalists and war buffs. For over twenty years from the early 1960s Neil Davis brought enduring images of the horror of modern war directly from the battlefield to the world's television screens. Davis's former colleague Tim Bowden tells the life story of this cool and utterly dedicated professional. Davis was a legendary gambler who often relied on his intuitive sixth sense to stay alive. He is best remembered for his eleven year coverage of the conflict in Indo China and was the only western cameraman to film with the South Vietnamese army. Having survived so much war Davis was killed filming an attempted coup in the streets of Bangkok in 1985. He is remembered as an exceptional man and remarkable journalist equally at home with presidents and street beggars. A sympathetic portrait of a gentle but dedicated and daring war correspondent. *Melbourne Herald* A must among Australian biographies. *Weekend Australian*

Teachers Martin Fletcher, 2023-02-28 Teachers are the people Martin Fletcher met throughout his work as a news correspondent often on the worst day of their lives. He watched as they picked up the pieces following personal tragedy and discovered the invaluable lesson of carrying on no matter the circumstances. Through intimate profiles, Martin Fletcher's *Teachers* details the struggles of everyday people in extraordinary circumstances: war, revolution, natural disasters, and yes, life. Fletcher's writing is uplifting as he examines the truth of resilience despite hardship. These are the people he sought out in his international reporting, detailing their woes while celebrating their will to survive and recover. *Teachers* offers a unique take on reporting as it features a traveling photo exhibit that Fletcher created to accompany the book. Each chapter is paired with an extraordinary digital montage to illustrate the stories taken directly from his reporting from NBC news programs. At a time when news coverage is often dismissed as fake or biased, *Teachers* is a welcome reminder of the integrity, devotion, and empathy that goes into true reporting of the world. As Tom Brokaw wrote, Fletcher has a calling.
