Wright,1989-01-10 This comprehensive volume provides an analysis of 145 social gospel novels Describing various conflicts  
presented in the American popular literary history that advocated social reform via Christian ethics during the latter half of  
the 19th century the author also documents the existence of a sizable body of social Christian fiction in the period between  
1865 and 1900 Wright examines the movement within American Protestant churches that called for the application of  
Christian principles to the solution of social and economic problems particularly those related to the confrontation of  
Christian ethic and the changes generated by the shift from agriculture to industry in the United States The introduction  
presents the complex issues associated with the rapid industrialization and urbanization of this country and with the conflict  
of Protestant values with those of the rising middle class Individual chapters explore the varieties of social Christian novels  
the effect of social change on theology as represented in the social Christian novel and the social Christian novel as literature  
The only book of its kind about social gospel fiction the work surveys the subject from divergent points of view Works  
examining the causes of economic and theological maladjustment in the nation are presented and works concerned with the  
effects The Social Christian Novel will be of immeasurable value in nineteenth century American studies the study of  
American literature and studies in American social history      *Current Literature ,1897*
