### **Empowering**

**Asian Youth through Volunteering** Elaine Suk Ching Liu,2019-09-09 This book describes the origin development and current state of volunteerism in Asia and Hong Kong It also presents a field tested model of empowering through volunteerism namely the CYEP at City University that involves youth governmental and non governmental agencies and their clients in a rapidly changing society Volunteerism is then described as a win win situation for all stakeholders actors Volunteerism converges the needs the struggles the personal motives and the aspirations of the volunteers together with the dreams and the difficulties of the clients the expertise of the professionals and the lack of resources of the agencies the new values emerging in society the effects of globalization and the new policies This book presents actual Asian case examples with the voices of the people involved on the CYEP volunteers officers service recipients who explain how volunteering changed their lives their values their attitudes toward social civic and political participation their ethics and sense of individual responsibility These stories from the frontlines can be adopted and or adopted for use by other institutions but it is also the chance for understanding the emergence of volunteering in Asia overall and its future direction

### **Volunteering in**

**the United Kingdom** John Mohan,2024-12-19 Substantial claims are made about the extent and impacts of volunteering often characterised by limited engagement with research evidence Volunteering is highly stratified so whether it can bridge social divisions in an unequal society is questionable Volunteering may have some benefits for individuals and communities but these impacts are often marginal volunteering is not a treatment that can be prescribed with certainty There is certainly a strong spirit of service evident in the British population but it requires considerable faith to believe that it can be extended to all This book provides a comprehensive and original overview of evidence about the patterns and impacts of volunteering underpinning a novel but sceptical assessment of the contributions of voluntary action to British society
