### Frequently Asked Questions

Does game development in the title mean this is a programming book

No This book is intended for anyone who works on video games and starts in Chapter 1

### What Makes Us Play

by exploring universal player motivations

The word developer in video gaming like the broader software industry is used in many different ways

As discussed in Chapter 3

### Putting the Dev in Game Development

while some folks believe game development refers only to programming it is usually a more general term applied to the collective act of making a game across all disciplines as demonstrated by the existence of the broader Game Developers Conference

Is this book only useful for new game developers

This book is useful for game developers at any stage of their career

While it s a fantastic overview for early career game developers many veterans who reviewed this book mentioned that they pulled away new insights especially from chapters like Chapter 9 From Emergence to Prosocial Gaming and Chapter 11 Efficient and Ethical Economies

Readers will walk away with a common language for game development techniques from chapters like Chapter 3 and Chapter 13

### The Good and Bad of Game Dev Processes
