Narcotics Anonymous Fellowship of Narcotics Anonymous, Basic recovery text for addicts that explains NA's principles and includes members' personal experiences finding NA and living clean *Basic Text, Narcotics Anonymous - Sixth Edition in Russian* Fellowship of Narcotics Anonymous, 2020-11-19 Russian translation of basic recovery text for addicts that explains NA's principles and includes members' personal experiences finding NA and living clean **Narcotics Anonymous Basic Text 6th Edition Hardcover** Anonymous, 2008-03-15 Written by addicts for addicts and about addicts this is the hardcover edition of the book that sets forth the spiritual principles of Narcotics Anonymous that hundreds of thousands of addicts have used in recovery. Just as with alcoholism, there is no cure for narcotic addiction, but recovery is possible through a program adapted from the Twelve Steps and Twelve Traditions of Alcoholics Anonymous. Intended as a complete textbook for every addict seeking recovery, Narcotics Anonymous describes the NA program and how it works. It includes the NA Twelve Steps and Twelve Traditions as well as many personal stories of people who have found freedom from addiction through Narcotics Anonymous. Research on Alcoholics Anonymous and Spirituality in Addiction Recovery Marc Galanter, Lee Anne Kaskutas, 2008-12-05 It was once taken for granted that peer-assisted groups such as Alcoholics Anonymous had no real value in recovery from addiction. More recently, evidence-based medicine is recognizing a spiritual component in healing, especially when it comes to addiction. The newest edition of *Recent Developments in Alcoholism* reflects this change by focusing on the 12-step model of recovery as well as mindfulness meditation and other spiritually oriented activity. More than thirty contributors bring together historical background, research findings, and clinical wisdom to analyze the compatibility of professional treatment and nonprofessional support, day-to-day concepts of relapse prevention, the value of community building in recovery, and much more. Among the topics covered: 1. How and why 12-step groups work 2. The impact of the spiritual on mainstream treatment 3. The impact of AA on other nonprofessional recovery programs 4. AA outcomes for special populations 5. Facilitating involvement in 12-step programs 6. Methods for measuring religiousness and spirituality in alcohol research. Whether one is referring clients to 12-step programs or seeking to better understand the process, this is a unique resource for clinicians and social workers. Developmental psychologists too will find Volume 18 *Research on Alcoholics Anonymous and Spirituality in Addiction Recovery* a worthy successor to the series. Narcotics Anonymous 6th Edition Softcover Anonymous, 2008-03-15 Written by addicts for addicts and about addicts, this is the softcover edition of the book that sets forth the spiritual principles of Narcotics Anonymous that hundreds of thousands of addicts have used in recovery.
