Quicken for Contractors Karen Mitchell, Jim Erwin, Craig Savage, 1998 This book disk set can turn a contractor's computer into a tireless timesaving office manager bookkeeper They contain step by step instructions for setting up a construction business using Quicken The book and disk takes readers from setting up accounts and payroll to investment accounts and through the

reporting process **2004 National Repair and Remodeling Estimator** Albert S. Paxton,2003-10-31 Current labor material and equipment costs for repair and remodeling work **Commercial Electrical Wiring** John E. Traister,2000 Commercial work uses more material and the work is usually smooth long lasting and more profitable than residential This updated book has the explanations examples and tips to help you comply with the parts of the NEC that apply to commercial wiring in load calculations sizing of electrical services selecting and installing overcurrent protection and more You ll also find how to read and understand symbols plans drawings and schematics common in commercial electrical work If you want to increase your work volume and profits by moving into commercial electrical work get this book **1998 National Construction Estimator** Martin D. Kiley,Dave Ogershok,Benjamin G. Moselle,1997-10 If you have contractors in your store looking for quick reliable square foot costs based on the type of building and what it s made of steer them to the National Building Cost Manual It s probably the easiest to use estimating reference published today It covers square foot costs for building types from homes to commercial military and agricultural buildings This 1998 edition is now available **National Construction Estimator** ,2006 Contractor's Guide to QuickBooks Pro 2003 Karen Mitchell,Craig Savage,Jim Erwin,2003 Easily master QuickBooks Pro 2003 and quickly learn how to generate reports to help you analyze your company s progress Includes a FREE CD ROM with preconfigured construction company files for QuickBooks Pro including one for Canada Just drag the company file onto your hard drive and then fill it in with your vendors subs and customers Also included is a complete estimating program with a cost database to help you estimate your jobs and a unique translation tool to transfer the estimate to QuickBooks Pro for job costing Includes 40 FREE construction forms Builder's Guide to Accounting Michael C. Thomsett,2001-07 This book includes self test section at the end of each chapter Test yourself then check answers in the back of the book to see how you score CD ROM included 2001 National Construction Estimator Craftsman Book Company,2000-10 Current building costs for residential commercial and industrial construction Estimated prices for every common building material Man hours recommended crew and labor costs for installation Includes Estimate Writer an electronic version of the book on computer disk with a stand alone estimating program National Estimator works just like a book Page through the entire book one screen at a time or use the electronic index to search in seconds for what you need
 Contractor's Guide to QuickBooks Pro 2004 Karen Mitchell,Craig Savage,Jim Erwin,2004 According to a recent national survey more construction contractors use QuickBooks Pro and QuickBooks than all other accounting programs combined And for good reason QuickBooks Pro excels at all the routine paperwork in a construction office writing checks keeping track of your bank balance sending out invoices and statements creating up to the minute profit and loss statements for the month year or by job writing payroll checks paying suppliers and subcontractors tracking job costs comparing estimated and actual costs for each job and much more But there s a lot to learn in QuickBooks Pro And converting to a new accounting system can be a complex and confusing task even if you have a strong background in accounting and plenty of time to install the new

system That s why this book was written because most construction pros aren t accounting experts and have more important work to do at the job site Contractor s Guide to QuickBooks Pro 2004 will walk you step by step through QuickBooks Pro s detailed setup procedure and then explain item by item how you should be using QuickBooks Pro every day In days rather than weeks you ll create a first rate accounting system that s an asset to your company Here you ll find simple well illustrated instructions for customizing the setup for QuickBooks Pro 2004 including what each screen on your monitor should look like This manual explains every choice you need to make and every button you need to click on And it tells you how to get a trial version of QuickBooks Pro if you want to try it before buying and includes two other programs you ll want to use when estimating costs with QuickBooks Pro With this book the CD in the back with the software and data files just described and QuickBooks Pro 2004 you have at your fingertips all the financial tools needed to keep your books straight and your company running strong and in the black Book jacket **Annual Report** California. Department of Consumer Affairs,1984 **Electrical Blueprint Reading** Taylor F. Winslow,1991 Reading a blueprint is like reading a road map It tells you exactly what you are required to build Read it wrong and you will build it wrong and that can be expensive This book explains how to read and interpret all types of electrical drawings and diagrams used in residential and commercial construction There are details on electrical floor plans lighting layouts and schematics showing single line and block or power riser diagrams for wiring circuits Learn how to lay out an electrical project what to look out for in dealing with construction specifications and drawings especially in terms of today s technology how to use an engineer s scale for developing and reading site plans and how to make up and use panel board connected load and other schedules **National Construction Estimator** Craftsman Book Company,2002-10 Material prices and manhours for estimating new construction costs **Electrician's Exam Preparation Guide** John E. Traister,1999 If you re getting ready to take the electrician s exam and drowning in pages of tables rules and exceptions here s the book you need It s based on actual exam questions taken from tests administered across the U S over the last few years Here you have almost a thousand multiple choice questions exactly the type of questions that will be on your exam The correct answer is printed just below the question Each chapter begins with a basic explanation of a topic Then you get dozens of questions on that subject to test your understanding Every topic is covered clearly and thoroughly When you can answer all the questions in this exam book taking the actual test on exam day should be a breeze If you haven t applied to take the exam yet one section of this book explains how to get your license where to get the application forms how to study and just what to expect on examination day A complete sample electrician s exam and answer sheet are provided so you can simulate exam conditions in your own home **The Martindale-Hubbell Law Directory** ,2001 The Cumulative Book Index ,1985 A world list of books in the English language McGraw-Hill's HVAC Licensing Study Guide Rex Miller,Mark Miller,2007-01-11 Get All the Practice Questions and Answers Calculations and Troubleshooting Tips You Need to Ace the major HVAC Licensing Exams HVAC
