### ***Apostates, Hybrids, or True Jews?***

Raymond Lillevik,2014-07-03 This book explores the relationship between Christian faith and Jewish identity from the perspective of three Jewish believers in Jesus living in eastern and central Europe before World War 1 Rudolf Hermann Chaim Gurland Christian Theophilus Lucky

Chaim Jedidjah Pollak and Isaac Ignatz Lichtenstein They were all rabbis or had rabbinic education and were in different ways combining their faith in Jesus as Messiah with a Jewish identity The book offers a biographical study of the three men and an analysis of their understandings of identity This analysis considers five categories for identification the relation of Gurland Lucky and Lichtenstein to Jewish tradition to the Jewish people to Christian tradition to the Christian community and to the network of Jewish believers in Jesus Lillevik argues that Gurland Lucky and Lichtenstein in very different ways transcended essentialist as well as constructionist ideas of Jewish and Christian identity [International Handbook of Jewish Education](#) Helena Miller,Lisa D. Grant,Alex Pomson,2011-04-02 The International Handbook of Jewish Education a two volume publication brings together scholars and practitioners engaged in the field of Jewish Education and its cognate fields world wide Their submissions make a significant contribution to our knowledge of the field of Jewish Education as we start the second decade of the 21st century The Handbook is divided broadly into four main sections Vision and Practice focusing on issues of philosophy identity and planning the big issues of Jewish Education Teaching and Learning focusing on areas of curriculum and engagement Applications focusing on the ways that Jewish Education is transmitted in particular contexts both formal and informal for children and adults Geographical focusing on historical demographic social and other issues that are specific to a region or where an issue or range of issues can be compared and contrasted between two or more locations This comprehensive collection of articles providing high quality content constitutes a definitive statement on the state of Jewish Education world wide as well as through a wide variety of lenses and contexts It is written in a style that is accessible to a global community of academics and professionals

**One People?** Jonathan Sacks,2024-05-15 One People first published in 1993 examines ways of mending the schisms between Reform and Orthodox Judaism between religious and

secular Jews in Israel and between Israel itself and the diaspora all of which have been deepened by the fierce and continuing controversy over the question of Who is a Jew **Divine Command Ethics** Michael J. Harris,2004-03 This book analyzes the response of the classic texts of Jewish tradition to Plato's Euthyphro dilemma Does God freely determine

morality or is morality independent of God [CCAR Journal](#) ,2007 **The Journal of Jewish Studies** ,1996 **The Jewish Quarterly** ,1993 *The Jewish Spectator* ,1993 **Orthodox Judaism in Britain Since 1913** Miri

Freud-Kandel,2006 In 1991 just as Jonathan Sacks was acceding to the post of Chief Rabbi the United Synagogue the largest synagogal institution in British Jewry commissioned a report entitled A Time for Change This report identified the significant difficulties in which many of the Orthodox institutions of British Jewry found themselves the United Synagogue itself the Chief Rabbinate and the Bet Din its religious court It suggested that the root cause of the problems was a shift away from minhag Anglia a celebration of the twofold blessing of being Jewish and British This work examines the thought and influence of the three Chief Rabbis whose terms in office have begun and ended during the twentieth century It follows the theological shifts that have occurred amongst the religious leadership of Orthodox Judaism in Britain and assesses the influence of

factors such as immigration and the so called Jacobs Affair in effecting these changes The Jewish community in Britain provides a model of a religious minority group's attempt to secure its survival in the midst of a host society that espouses alternative values derived either from secularism or an alternative religious system Through an in depth analysis of the theology of Chief Rabbi Joseph Herman Hertz this work identifies a paradigm that was established for Jews in Britain of a strong and confident Orthodoxy that champions interaction in the host society The Chief Rabbinates of Israel Brodie and Immanuel Jakobovits were each influenced in different ways by the burgeoning influence of alternative models for Orthodox Judaism This work considers how this facilitated the displacement of the community's fervour for unity with religious polarisation and analyses how its religious leadership adopted a theology which seemed to call on Anglo Jewry to forsake its ideology of meaningful interaction to secure its religious identity Jewish Identity Michael Corinaldi, 1998 This book reviews the status of Beta Israel Ethiopian Jews through a most recent comprehensive research of the roots of Jewish Identity The author argues that Jewishness is not determined by scientific and sociological techniques alone but is a function of halakha Jewish Law Consequently where as here historical truth is uncertain it is halakhic truth which is definitive for Jews All of these issues revolve around the crucial question who is a Jew The upsurge of aliyah from Ethiopia reached its peak as is well known with Operation Moses in 1984 1985 and with Operation Solomon in 1991 rescue airlifts that resonated around the globe This immigration of 70 000 including the current return of the Falas Mura has intensified debates on questions concerning the Law of Return A Jewish Heart Robert L. Green, 2024-08-08 A Jewish Heart A Struggle for Status and Identity in Asia is at once the saga of a modest charitable grant in 1903 an unimagined windfall ninety years later and a history of Progressive Judaism in Asia Enriched with profiles of key players the author rootsthe narratives in the entrepreneurial and philanthropic activities of two legendary Baghdadi families the Sassoons and the Kadoories beginning in mid nineteenth century Bombay Shanghai and Hong Kong and unfolding against the backdrop of worldwide waves of Jewish arrivals The story gains currency when challenges are raised over community funding facilities preserving or replacing the aging synagogue and accommodating Reform Judaism Robert L Green provides a thorough and previously undocumented account of the decade long religious legal and public relations battles that follow engaging the attention of international media and top rabbinical and legal authorities in Hong Kong Israel Australia United States and United Kingdom The author focuses on questionable legal gymnastics as trustees facing China's impending takeover of Hong Kong undertake efforts to protect the funds from unknown perils Concurrently he chronicles the establishment of a vibrant Reform congregation braided with Jewish lore and the struggles of visionaries hoping to make Hong Kong an oasis of Jewish worship learning and recreation in Asia A Short Reader in Judaism Lavinia Cohn-Sherbok, Dan Cohn-Sherbok, 1996 This text draws together in one single volume a comprehensive collection of original source material translated into English including literature that would previously have been inaccessible to the non specialist Le-'ela, 1995 Science in the Bet Midrash Menachem

Marc Kellner,2009 This book explores the religious thought of Moses Maimonides 1138-1204 the single most influential Jew of the last thousand years While covering many aspects of his religious philosophy the central focus of these essays is the way Maimonides elucidated and expressed the universalistic thrust of the Jewish tradition     **The Jewish Journal of Sociology** ,1993     *Israel's Changing Society* Calvin Goldscheider,2002-07-09 Revised to provide the most up to date assessment of Israeli society this text uses history and current events to explain the nation's present demographic and socioeconomic position
