Oneness Vs Trinity Debating The Godhead:

Oneness Vs. Trinity Larry Tate, 2015-08-06 Trinity or Oneness Which belief is right Does the average Christian truly understand the basis of their own beliefs regarding the makeup of the Godhead or do they simply hang onto a handful of key platitudes and talking points that have been handed down by their pastor Other than a few memorized Scriptures that seem to support their particular doctrine of the Godhead many Christians don't have a firm grasp of scriptural evidence that truly supports the cornerstone of their most basic beliefs A solid foundation of belief is desperately needed because these two doctrines are at extreme odds with each other Proponents from both sides have been known to proclaim that the other side cannot be saved due to their beliefs in the Godhead Other than an agreement that our God is also the God of Abraham Isaac and Jacob there is little other accord between these two opposing theological camps This book presents many of the typical arguments from both doctrines and puts them together in a debate like format This way both Oneness believers and Trinitarians alike will be able to better understand the basis of their own positions At the same time they will come away with a better understanding of the positions presented by the other side Hopefully if they are able to lay their biases to the side they'll be able to make an informed decision as to which side has the best scriptural support and logic [A Declaration of Christian Truth](#) Randy Gingrich, 2022-11-21 Truth Repentance Glory Revival This book takes the reader on an adventure of intriguing theological thought as it explores over fifty topics relevant to the Christian life The author's teaching is to the point yet comprehensive enough to answer a range of questions as it articulates the truth of God's Word The value of understanding the Bible blossoms in the beauty of God's glory as the wisdom of the Lord applies his truth to our everyday life A much needed systematic theology is established as doctrine is taught with originality in the power of the Holy Spirit with dynamic revelation It builds solid truth in a structural style and should resonate with any believer as prophetic personal and inspirational Theologically it is equivalent to a four year Bible College Biblical truth is taught to equip the Christian and minister with significant knowledge and wisdom on over fifty topics Many false beliefs and misconceptions are dealt with while God's Word is taught in clarity The book shares breakthrough insight on many subjects of the Bible that are hard to understand Also there is significant teaching on the born again experience the constitution of the Christian or who we are in Christ the baptism with the Holy Spirit authentic worship and much more This is a textbook for the Christian life Many will see it as a great source of sermons curriculum and position papers The titles of the forty four chapters should strike the interest of any God fearing truth loving Christian You will not be disappointed as the Holy Spirit articulates God's will sorts out ideas clears away confusion and builds solid beliefs and practice You will see a consistency of relationship The Bible is a unified masterpiece of truth it's all related Most chapters start fresh with new topics and developing themes There are studious sections that dig deep for the purpose of benefiting everyone with greater appreciation and knowledge of God's Word while attempting to satisfy the Bible College graduate There is much teaching today that has obscured the true

meaning and application of Scripture placed a veil over the heart of believers and deprived Christians of its complete relevant impact upon them Therefore it was necessary to write a book which establishes a systematic theology based upon the full counsel of God Acts 20 27 without imposing agendas nor being controlled by any religious group **Pentecostal Theology** Keith Warrington,2008-08-07 Pentecostals traditionally do not think theologically so much as do it practically This book will present Pentecostal theology as well as the particular style of Pentecostal thinking and praxis that makes it different Pentecostalism is not just distinctive because of its belief base but also because of the worldview it owns The latter is based on a certainty that a religion that does not work is not worth much Consequently they look for expressions of life and vitality in their faith These dominate rather than an expression of the cerebral though this is changing Nevertheless the sense of the immediate the God of the now not the distant past underlie how they do theology Pentecostal theology tends to be seen through the eyes of people not theologians through the community not traditions though they have them through their faith and worship not ancient creeds It is a theology of the dynamic seen through the lens of experience It is a functional theology that exists to operate to incorporate an experiential dimension Pentecostal theology does not operate as other theologies which often only detail a list of beliefs it does this but also and more importantly it explores them in the context of praxis Thus this volume incorporates praxis as part of the enquiry relating to theology *Early Christian-Muslim Debate on the Unity of God* Sara Leila Hussein,2014-09-11 Early Christian Muslim Debate on the Unity of God examines the writings of three of the earliest known Christian theologians to write comprehensive theological works in Arabic Theodore Ab Qurra Ab R i a and Amm r al Ba r provide valuable insight into early Christian Muslim debate shortly after the rise of the Islamic empire Through close examination of their writings on the doctrine of the Trinity Sara Hussein demonstrates the creativity of these theologians who make use of language style and argumentation characteristic of Islamic theological thought kal m in order to help articulate their long established religious truths Hussein offers close analysis of the authors individually and comparatively exploring their engagement with Islamic theology and their role in this fascinating period

Trinitarian Theology, West and East Paul M. Collins,2001 CURRENTLY BEING RE WORKED BY AUTHOR This book represents a unique contribution to the dialogue between the traditions of Eastern and Western Christian thought Through the writings of Karl Barth and John Zizioulas Dr Collins seeks to set up an ecumenical dialogue concerning Trinitarian thought During the last decade the doctrine of the Trinity and the concept of koinonia have been much in evidence in ecumenical contexts In this volume Dr Collins sets out to look behind the growing ecumenical consensus to examine where the basis for the consensus has emerged from and suggests that it is possible to root it in Western thought as well as in Eastern Orthodoxy **The Theology of Amos Yong and the New Face of Pentecostal Scholarship** Wolfgang Vondey,Martin Mittelstadt,2013-06-15 In The Theology of Amos Yong and the New Face of Pentecostal Scholarship Wolfgang Vondey and Martin William Mittelstadt gather a table of experts on one of the most influential voices in current Pentecostal

Bird,2013-10-29 Evangelical Theology is a systematic theology written from the perspective of a biblical scholar Michael F Bird contends that the center unity and boundary of the evangelical faith is the evangel gospel as opposed to things like justification by faith or inerrancy The evangel is the unifying thread in evangelical theology and the theological hermeneutic through which the various loci of theology need to be understood Using the gospel as a theological leitmotif an approach to Christian doctrine that begins with the gospel and sees each loci through the lens of the gospel this text presents an authentically evangelical theology as opposed to an ordinary systematic theology written by an evangelical theologian According to the author theology is the drama of gospelizing performing and living out the gospel in the theatre of Christian life The text features tables sidebars and questions for discussion The end of every part includes a What to Take Home section that gives students a run down on what they need to know And since reading theology can often be dry and cerebral the author applies his unique sense of humor in occasional Comic Belief sections so that students may enjoy their learning experience through some theological humor added for good measure **Catholic Questions, Wise Answers** Michael J.
